Portion of Membership Dues Used for Political Advocacy

For membership dues payments to trade associations and other tax-exempt organizations over \$50,000, we request the percentage of membership dues used for political advocacy purposes, as reportable under the Internal Revenue Code section 162(e). The percentage of dues used for political advocacy purposes is provided to us by the organization. The total amount for 2012 was approximately \$1.2 million. For more information, read the Public Policy and Political Accountability section of our 2012 Corporate Responsibility Report, available at www.intel.com/go/responsibility.
