Fatima Center News Release

THE TIME HAS COME TO TAKE THE MESSAGE OF FATIMA INTO THE SECULAR WORLD

August 6, 2013

From September 8 to September 13, Our Lady's Apostolate is convening a grand summit of leaders of Church and State in Niagara Falls, Canada. "Fatima: The Path to Peace!" will propose the only solution to the world's problems, the solution Our Lady has offered us:

CONSECRATE RUSSIA TO THE IMMACULATE HEART OF MARY!

For too long, we have been fighting a defensive war. Now –

THE TIME HAS COME TO ATTACK SATAN WHERE HE LIVES!

This is Our Lady's battle plan! In 2012, Our Lady's grace led us to Strasbourg, France to address members of the European Union Parliament. Our Lady wants Her Message heard in the halls of power!

Many would have thought it improbable, if not impossible, that Our Lady's Apostolate would ever be invited to tell the leaders of the 27-nation, 400-million-strong federation that Fatima is their only chance for world peace, but it happened!

NOTHING IS IMPOSSIBLE WITH OUR LADY'S GRACE!

Now, we have an opportunity to go beyond the European Parliament and address the leaders of North America! We are preparing our biggest conference to date –

"FATIMA: THE PATH TO PEACE!" IS ON ITS WAY!

From September 8 through September 13, political leaders from throughout Canada, the United States, Europe and elsewhere will convene for a meeting of incalculable importance in Niagara Falls, Canada. Dr. Ron Paul will attend as our headline speaker!

And I especially want you to attend this historic meeting as a delegate from your place of residence. We have to show the assembled dignitaries that Our

Lady's Message is being heard far and wide and that action is demanded NOW!

As an invited delegate, you will not only have access to all the sessions of this summit, but you will have the privilege of questioning our speakers and making your concerns known.

We now have a Pope whose papacy has been consecrated to Our Lady of Fatima. I believe we have a Pope who will perform the long-awaited consecration of Russia to the Immaculate Heart.

The Holy Father must know that he has the support of loyal Catholics everywhere, and that key figures in politics and the media recognize the need for him to act before it is too late!

This is the aim of "**Fatima: The Path to Peace!**" Please, if you can, be there! If you cannot, support this great summit meeting in every way you can. Our Lady's Apostolate is counting on you!

Support for the conference is growing every day. We have already received the endorsement of the Minister of Defense for Canada, the Hon. Rob Nicholson. The Hon. Mario Borghesio will also attend. **AND –**

DR. RON PAUL WILL ADDRESS "FATIMA: THE PATH TO PEACE!"

Dr. Paul's presence will attract other important people in the political world as well as the media. **THIS CONFERENCE WILL PUT FATIMA ON THE MEDIA MAP!**

Dr. Paul spent more than two decades in the U.S. Congress as a staunch defender of life, an enemy of militarism, and a voice calling the world back from the brink of economic ruin! His integrity is beyond question! Even his enemies acknowledge this!

Dr. Paul participated in all the nationally televised Republican presidential primary debates in 2012. His courage and principled stands added to his tremendously enthusiastic and loyal core of supporters. Dr. Paul was the only candidate to –

- Denounce the Iraq and Afghanistan wars as failing to meet the conditions the Church lays out for a just war!

- Call for bringing back all U.S. troops from foreign countries and ending the seemingly endless military interventions that cost so much in lives, misery and money!

- Call for the end of the Federal Reserve Bank, which prints money out of thin air and manipulates world markets for the gain of the few and the ruin of the many!

- Call for a return to the gold standard for currency as the way to meet the Biblical mandate for an honest system of "weights and measures"!

- Call for the defense of human life, from conception onward. Dr. Paul is an obstetrician who has delivered more than 4,000 babies. He knows the science of life!

Dr. Paul will not only bring his message of a return to moral and fiscal sanity to our conference, he will bring politicians and reporters from print and broadcast media!

THE FATIMA MESSAGE WILL BE IN THE NEWS!
