Laser driver board introduction:

Connection diagram

A. 12V Power adapter + PWM signal (for MX3 Control Card: MC3D3-V1.3)
B. 3PIN: 12V Power + PWM, supply from the MX3 Control Card.

12V Power adapter + PWM signal (for MX3 Control Card: MC3D3-V2.1)
C. Laser module direct connection (power less than 1W)
