

Combo/Wunda Chair Handles Installation

PARTS INCLUDED:

Qty	Part #	Description
2	616-277	Chair Handles
2	GEN9081	Knobs

1. Screw the large, black knobs into the threads at the top of each receiver. (Fig A)
2. Do not tighten all the way.

Figure A

3. Slide the end of each handle down into the receivers. The black knobs are spring loaded and must be held out to allow the handle to slide into the receiver. When one of the holes in the handle is located, the black knob locks into place. To further secure it, tighten the black knob until snug. (Fig B)
