

ATTORNEY GENERAL LYNCH: INVESTIGATE FLORIDA ATTORNEY GENERAL PAM BONDI

Dear Attorney General Lynch,

Florida Attorney General Pam Bondi has demonstrated a consistent pattern of "pay to look away." Time and again, powerful interests have received preferential treatment by Bondi's office and in return, Bondi and connected political interests have benefited from significant campaign contributions.

The attorney general is Florida's chief legal officer and simply the perception of "pay to look away" is destructive to our state's ability to enforce the law and protect everyday Floridians. We, the undersigned, urge you to launch an official investigation of Attorney General Bondi regarding her campaign contribution from Donald Trump and similar instances where campaign contributors had potential cases against them dropped by the Florida attorney general's office.

Signed,
