AMENDMENT A - ABOLISH SLAVERY INDIVIDUAL ENDORSEMENT

Amendment A removes language from the Colorado Constitution which continues to permit slavery and involuntary servitude in the case of someone who has been convicted of a crime.
Amendment A abolishes slavery in Colorado. Voting YES on Amendment A will change our Constitution to say: “There shall never be in this state either slavery or involuntary servitude."
The Constitution is not a symbolic document. It is the moral and legal foundation of our state. We Coloradans have the opportunity to be the 1st state to remove this deeply offensive language from our Constitution.

I WANT TO ABOLISH SLAVERY IN COLORADO. I ENDORSE AMENDMENT A: Check if yes:
