SAVE OUR ROYAL MAIL

Sum Of + Us

Dear Vince Cable,

Please, please listen to us. Don't sell off the Royal Mail.

The Royal Mail is more than just any old business. It is part of our heritage, a part of our communities and is a precious national institution.

A privatised Royal Mail will dodge its taxes, slash its workforce, put up prices and cut services. Not only will we lose this vital public service but we'll lose the £600 million a year in profit too.

Please, please, please reconsider the sell off and keep the Royal Mail in public hands.

Yours sincerely,
