

F300 Electronic Air Cleaner

The Honeywell F300 Electronic Air Cleaner is an advanced and easy-to-use whole-house solution that captures up to 98%* of airborne particles passing through when installed in your heating/cooling system.

With an exclusive 10-year Clean Coil Guarantee™, stylish looks and optional AirWatch™ system, the F300 is your high-performance air cleaning answer.

The Honeywell F300 Electronic Air Cleaner: a trusted solution from the trusted name in indoor air quality.

F300 Electronic Air Cleaner

Honeywell's most efficient air cleaner.

Offers highest level of filtration available from Honeywell. Captures microscopic allergens like dust, smoke and smog particles in addition to larger particles like mold spores and pet dander.

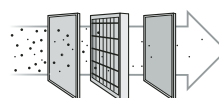

Contemporarily styled cabinet is made from durable rustproof galvanized steel.

Low-maintenance unit requires only periodic washing of air cleaner cells and postfilter replacement.

Easy to verify proper operation with one-touch test button.

Filtration 3 — Three-stage filtration includes exclusive electrostatic postfilter that improves efficiency with minimal resistance to airflow.

Exclusive 10-year Clean Coil Guarantee™ gives you added peace of mind.

Meets American Lung Association® Health House® guidelines.

Optional AirWatch™ system* reminds users of routine maintenance.

*sold separately

	PRODUCT DESCRIPTION	EFFICIENCY RATING*	
BEST	F300 Electronic Air Cleaner		98%
BETTER	F200 Media Air Cleaner	92%	
GOOD	F150 Media Air Cleaner	85%	
BASIC	1" Fiberglass Filter	9%	

*Based on initial efficiency testing of new filters tested at 3-10 micron particles at 492 feet per minute of airflow.
