

# Upgrade Your Cabinets

## Choose AprilAire. Grow Your Business. Improve Health.

Boost your revenue, streamline inventory, and offer superior products.

**Increase Revenue** – AprilAire media can drive sales, boost profits, and keep you connected to your customers.

**Consolidate Inventory** – Switch to AprilAire and reduce the need for multiple vendors. One brand, one solution.

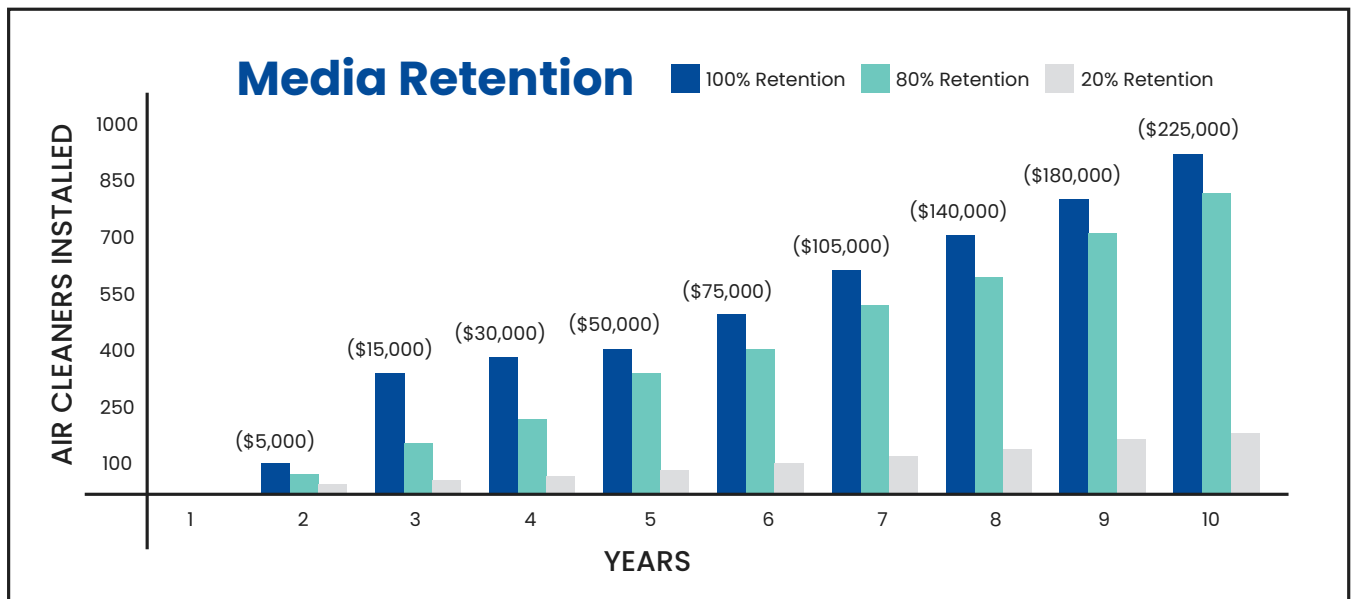

**Reduce Damage** – Our collapsible media is compact and durable, minimizing damage risks compared to bulky cartridge filters.

**Improve Air Cleaner Performance** – Patented Self Seal™ design eliminates air bypass, enhancing air cleaner efficiency.

### Invest in Your Business.

Install 100 air cleaners per year and sell replacement media for \$50 each. Over 10 years, you'll install 1,000 air cleaners. With 100% retention, you'd generate \$225,000 in revenue. Even at 20% retention, that's \$45,000. Don't miss out on \$180,000 in potential revenue. Use AprilAire adjustable rails to fit non-AprilAire air cleaners and recapture lost profits.
