TABLE OF CONTENTS

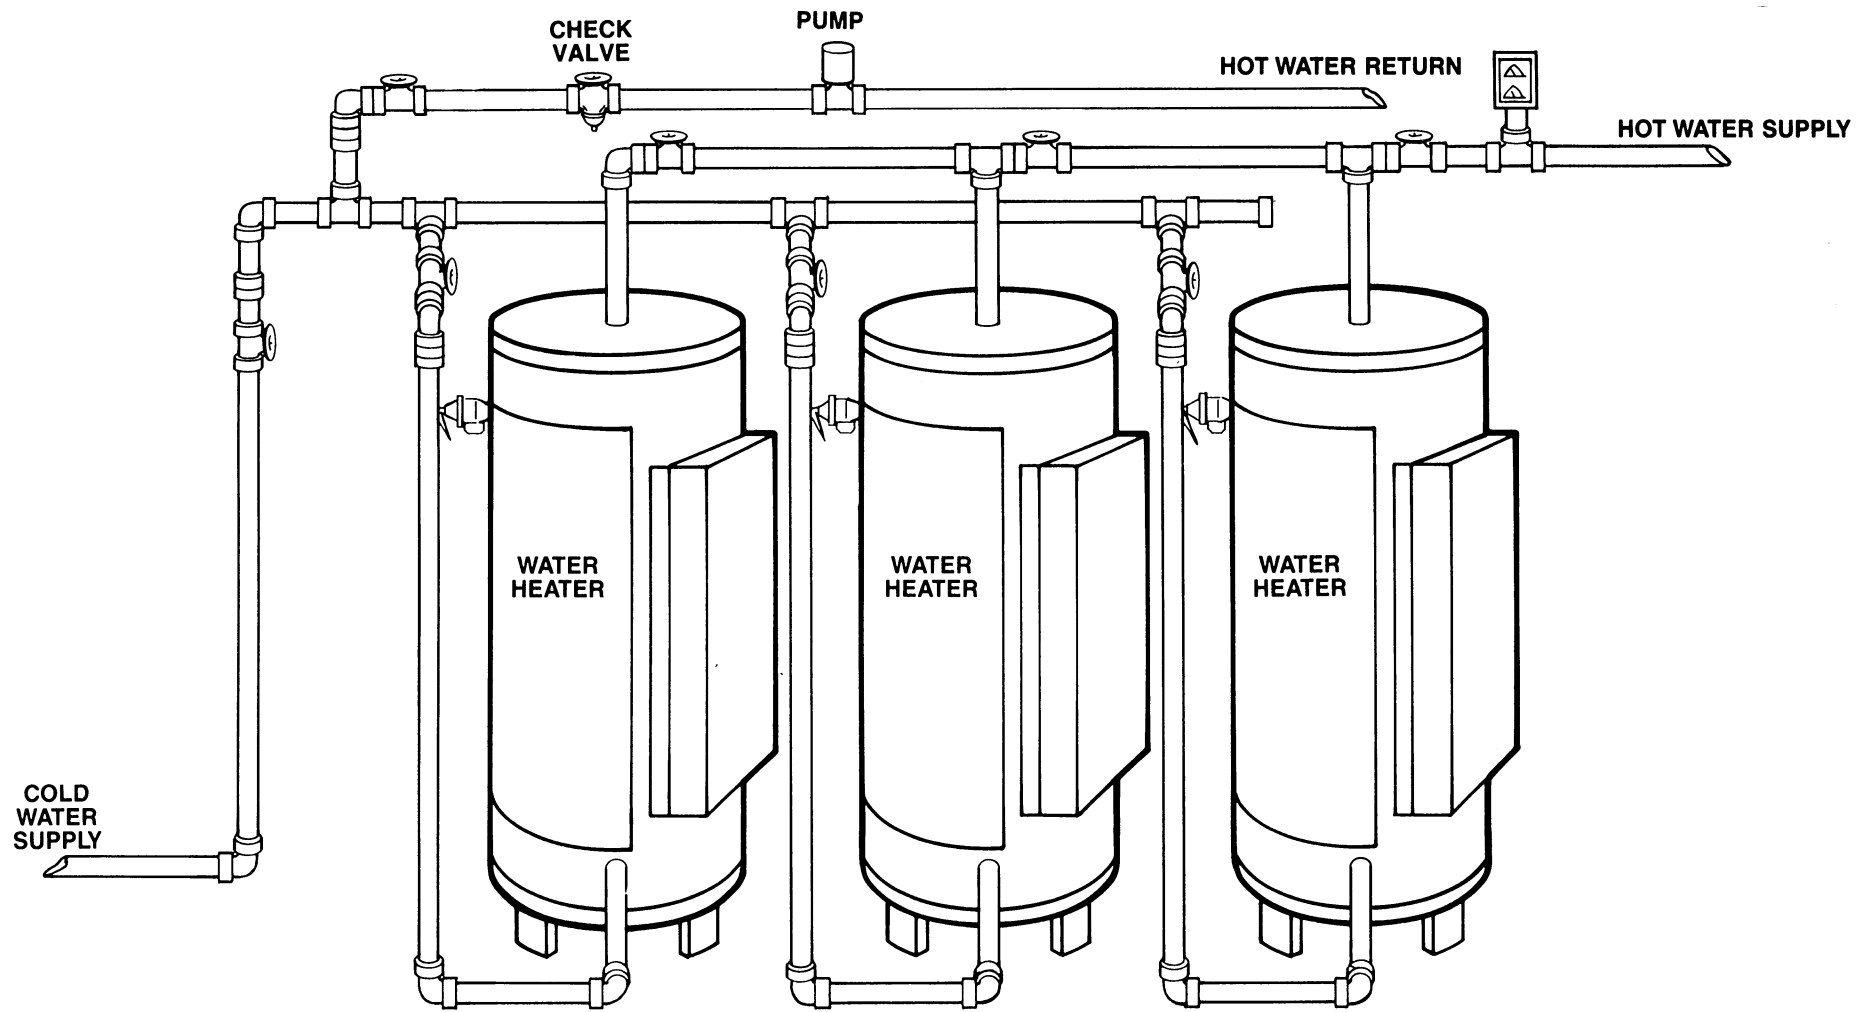

Dual Heater System (Factory Manifolding)	1
Dual Heater System (Field Fabricated Manifolding)	2
Triple Heater System (Factory Manifolding)	3
Triple Heater System (Field Fabricated Manifolding)	4
Quadruple Heater System (Factory Manifolding)	5
Quadruple Heater System (Field Fabricated Manifolding)	6
Single Heater W/Single Horizontal Storage Tank System	7
Single Heater W/Dual Vertical Storage Tank System	8
Single Heater W/Triple Vertical Storage Tank System (Factory Manifolding)	9
Single Heater W/Quadruple Vertical Storage Tank System (Factory Manifolding)	10
Dual Heater W/Quadruple Vertical Storage Tank System (Factory Manifolding)	11
Single Heater W/Single Vertical Storage Tank System	12
Dual Heater W/Single Horizontal Storage Tank System	13
Triple Heater W/Single Horizontal Storage Tank System	14
Two Temperature, Single Heater System	15
Two Temperature, Primary Plus Booster Heater System	16
Two Temperature, Dual Heater System (Factory Manifolding)	17
Two Temperature, Triple Heater System (Field Fabricated Manifolding)	18

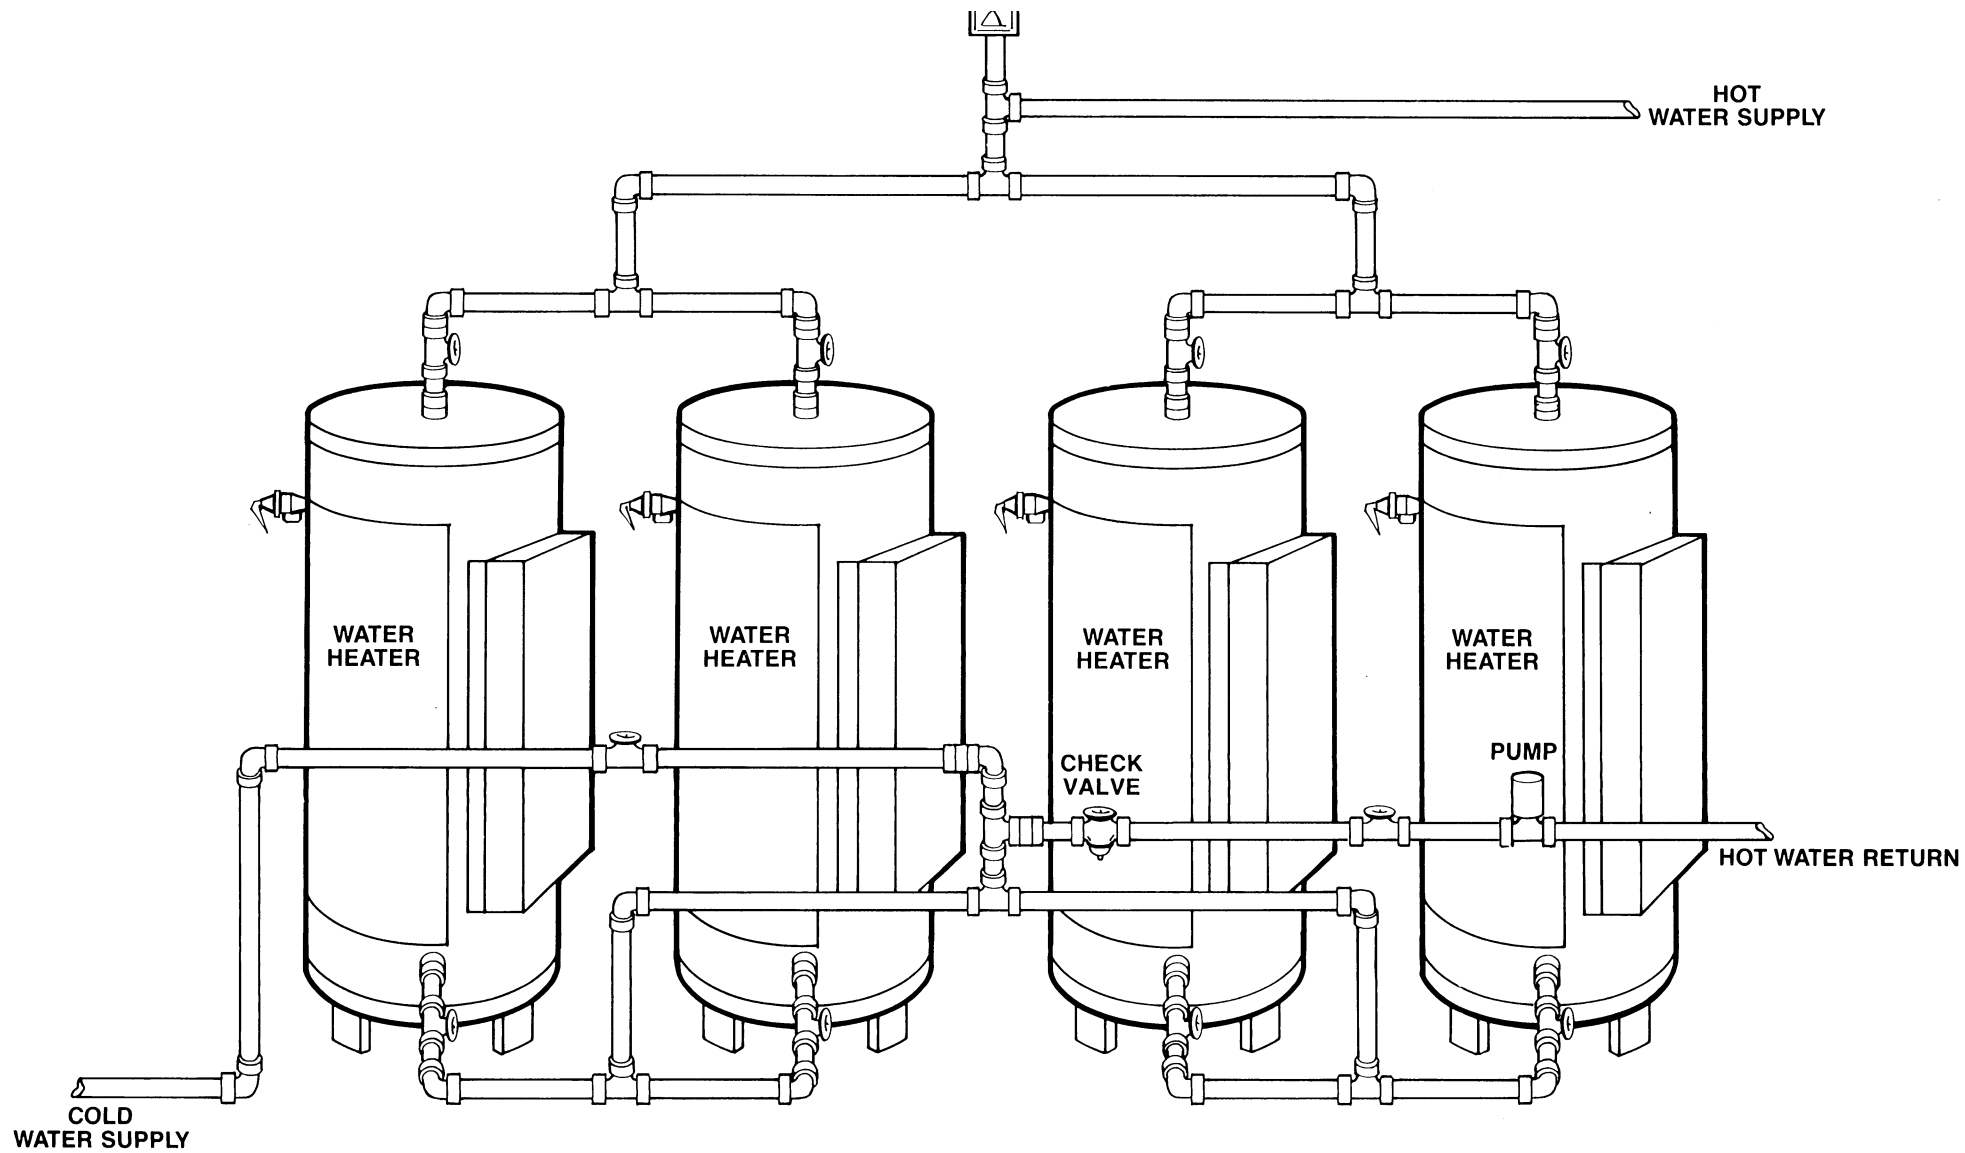

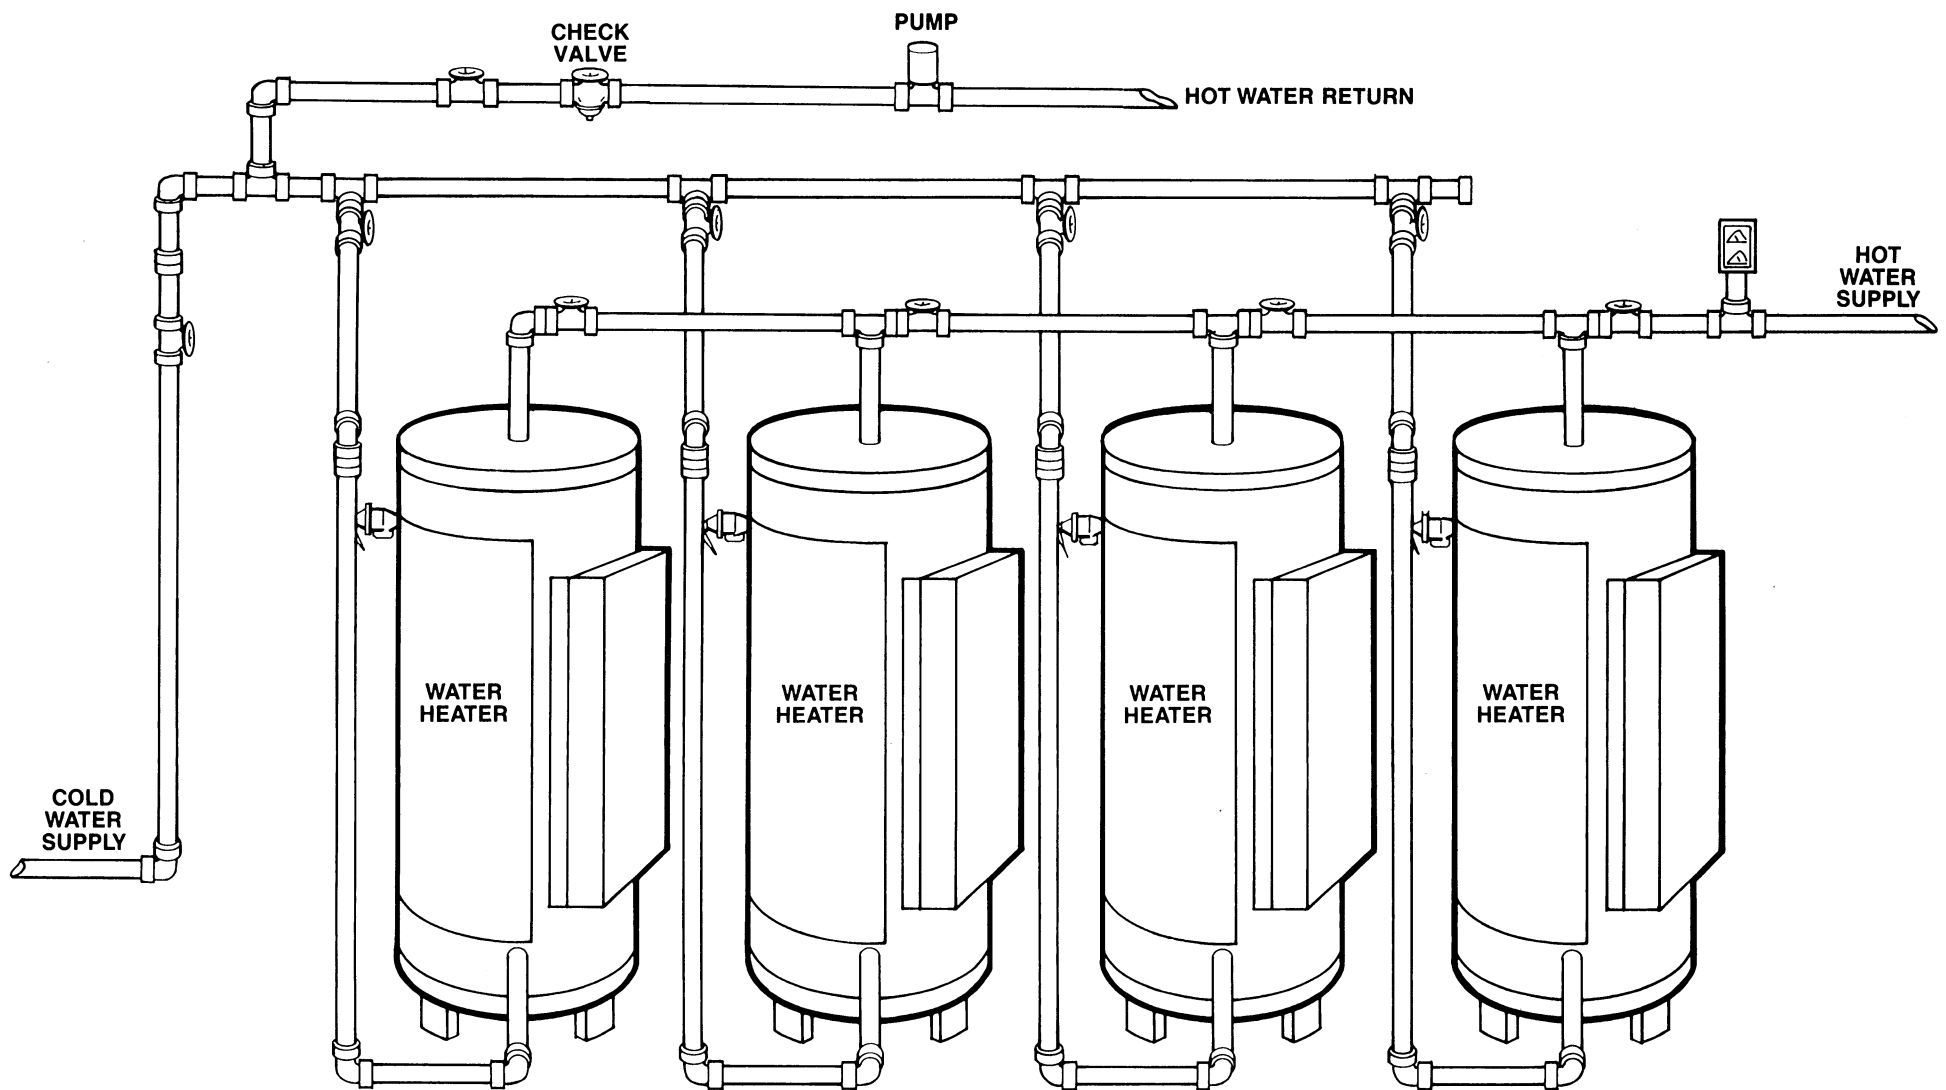

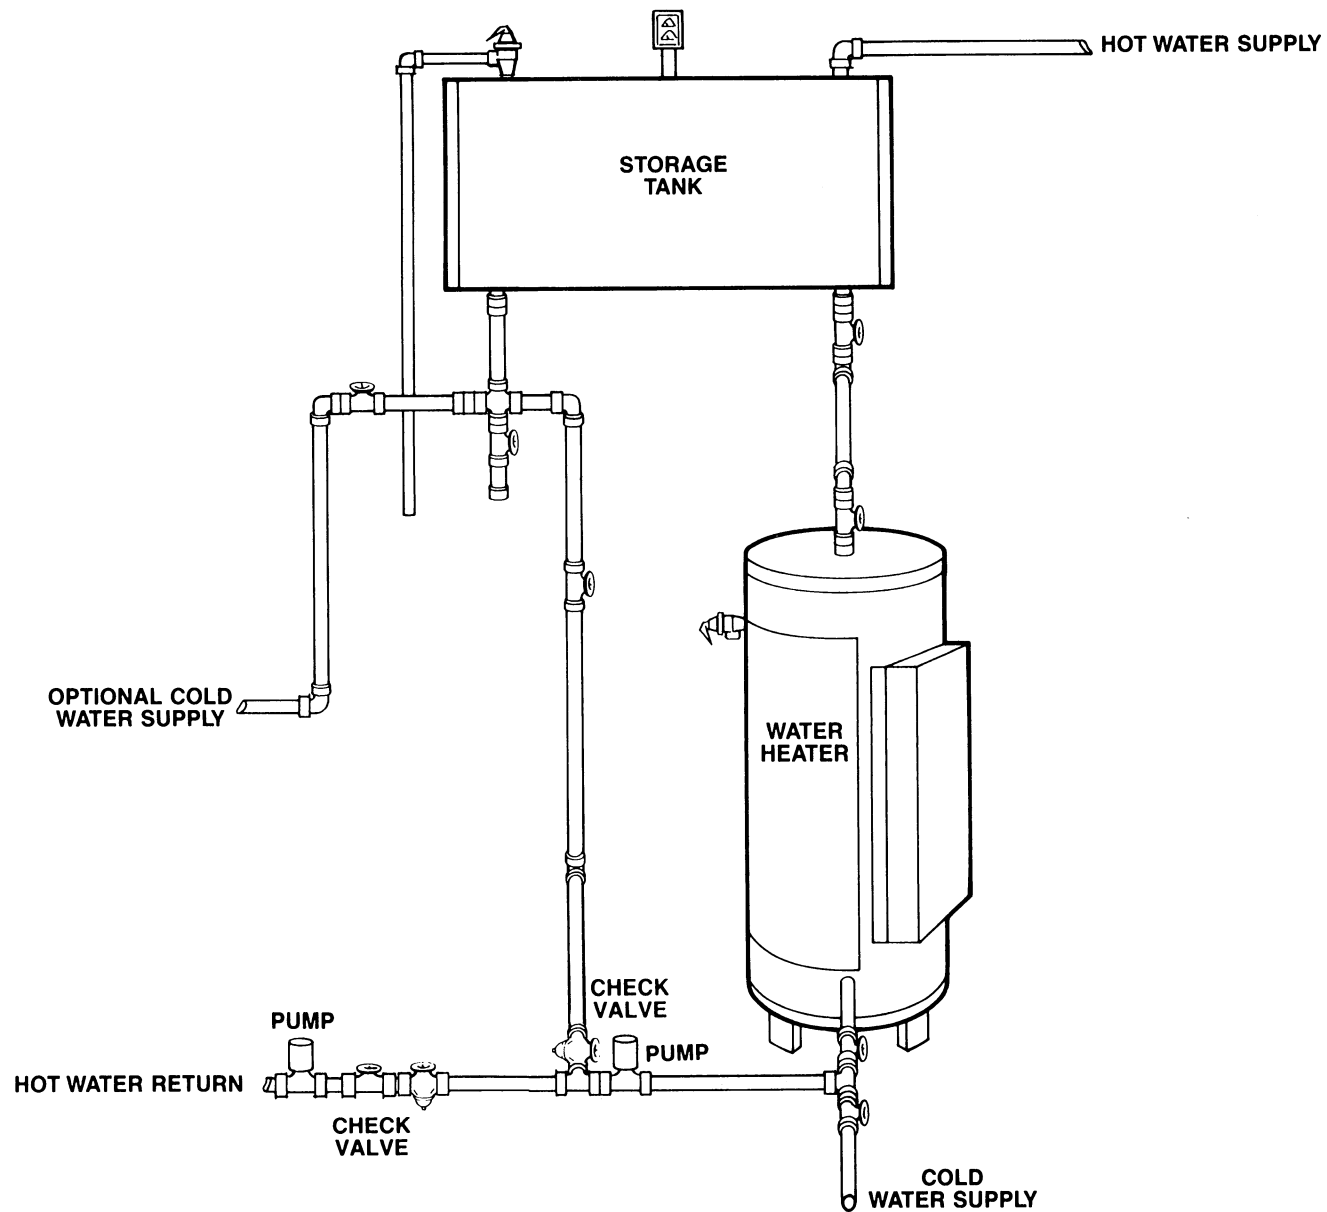

2 **Dual Heater System (Field Fabricated Manifolding)**

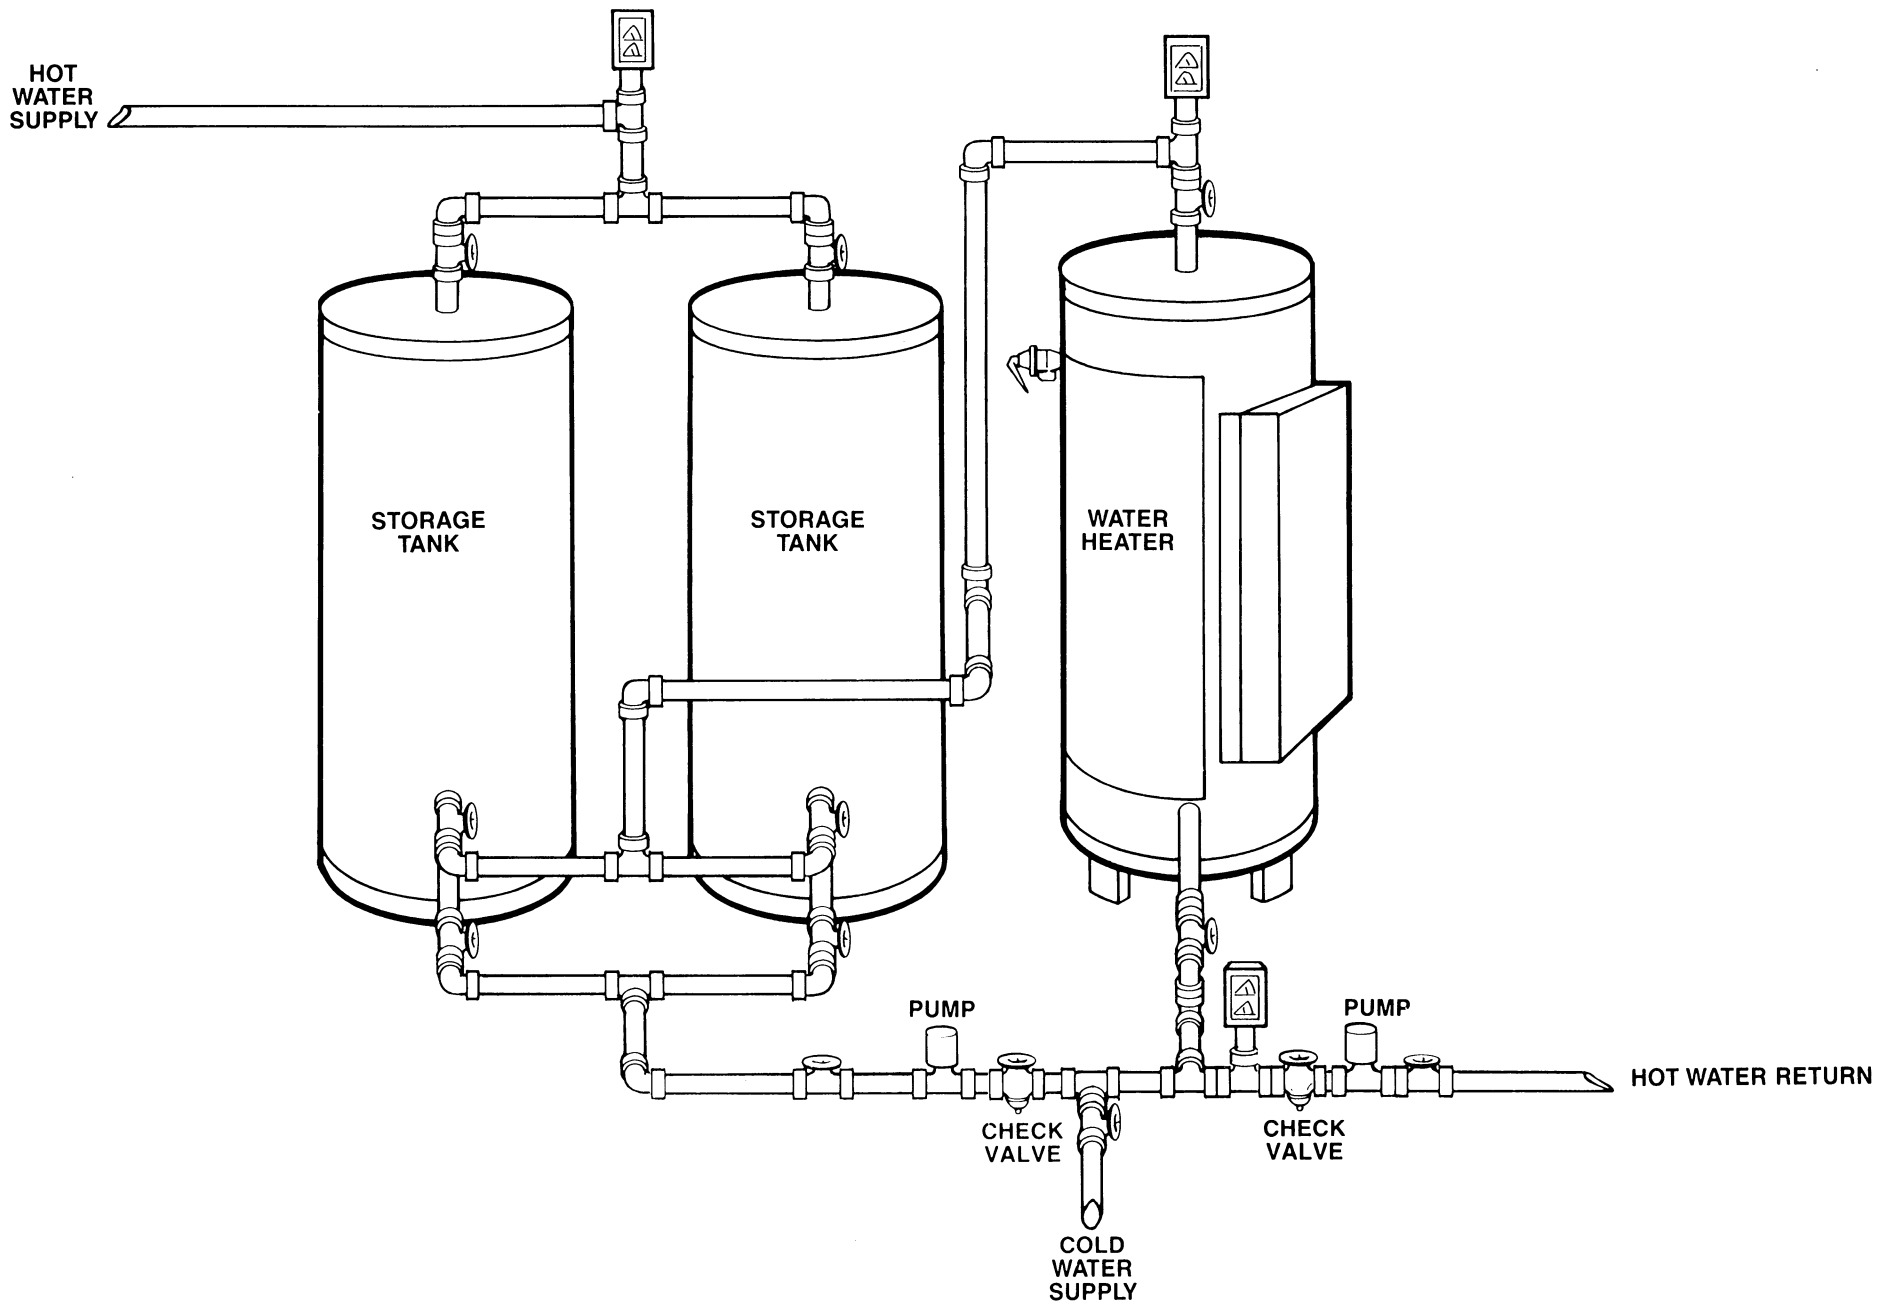

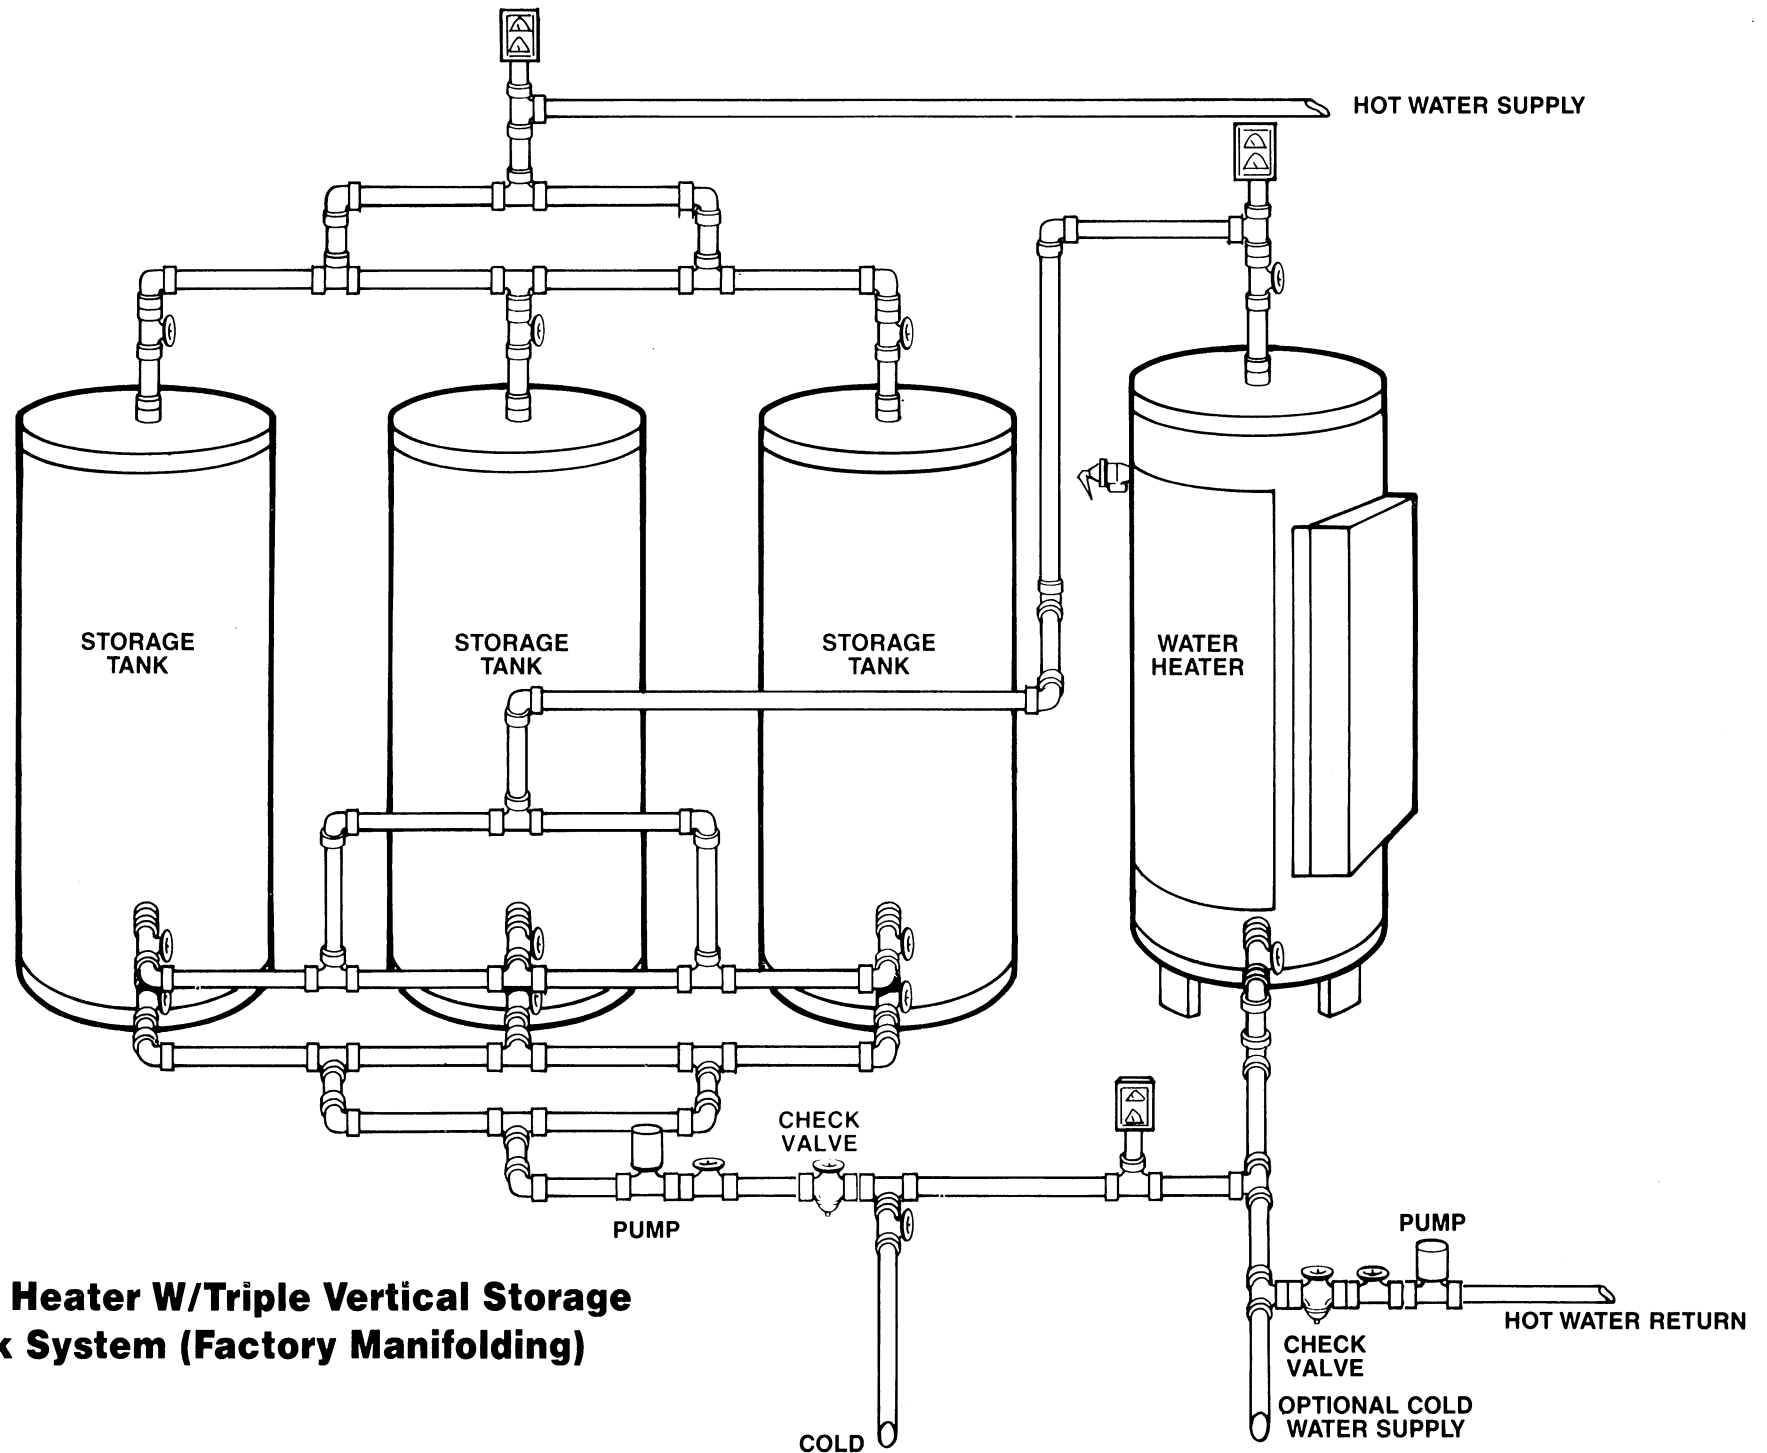

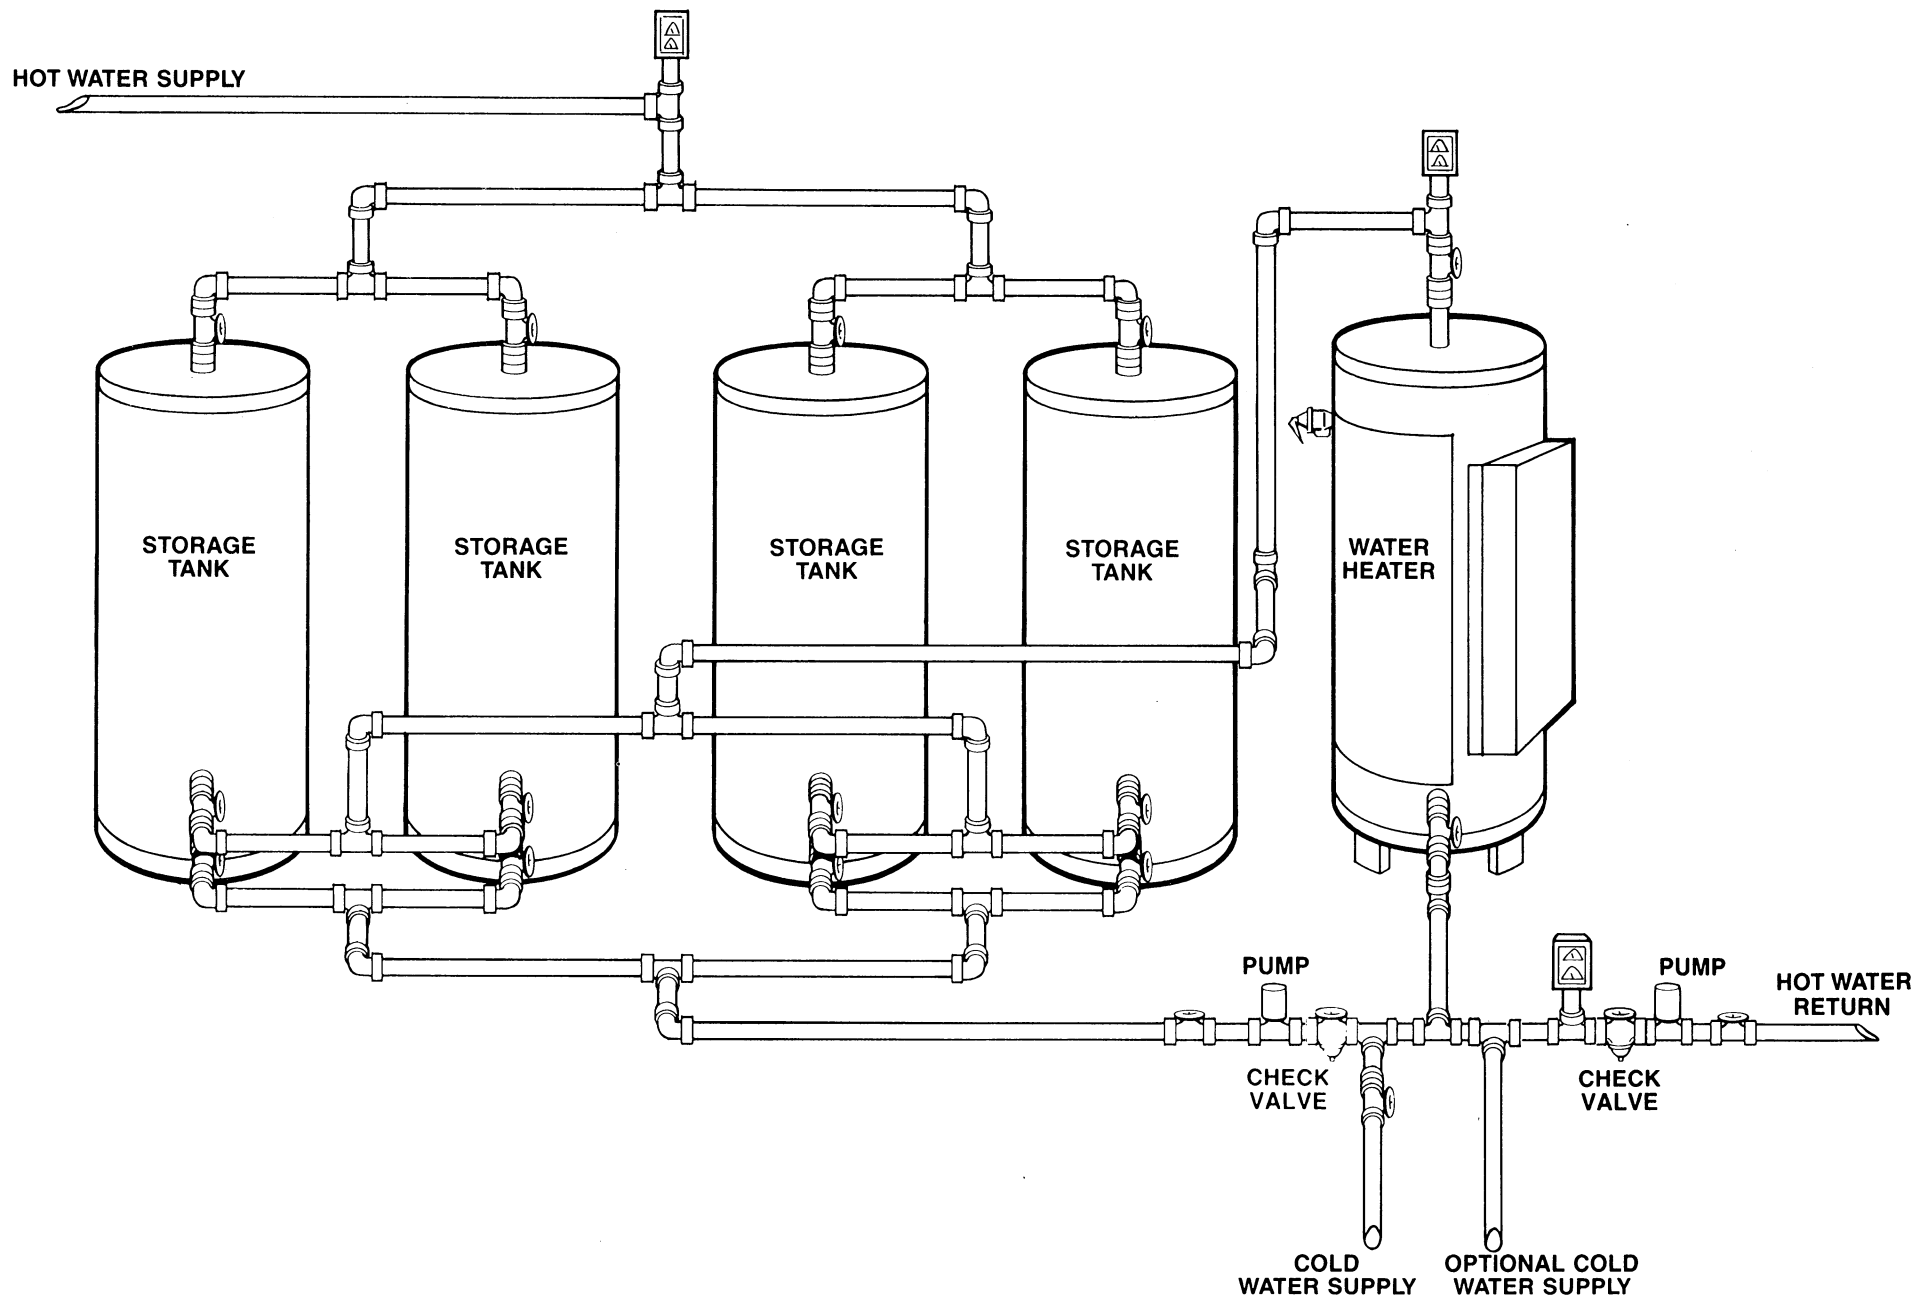

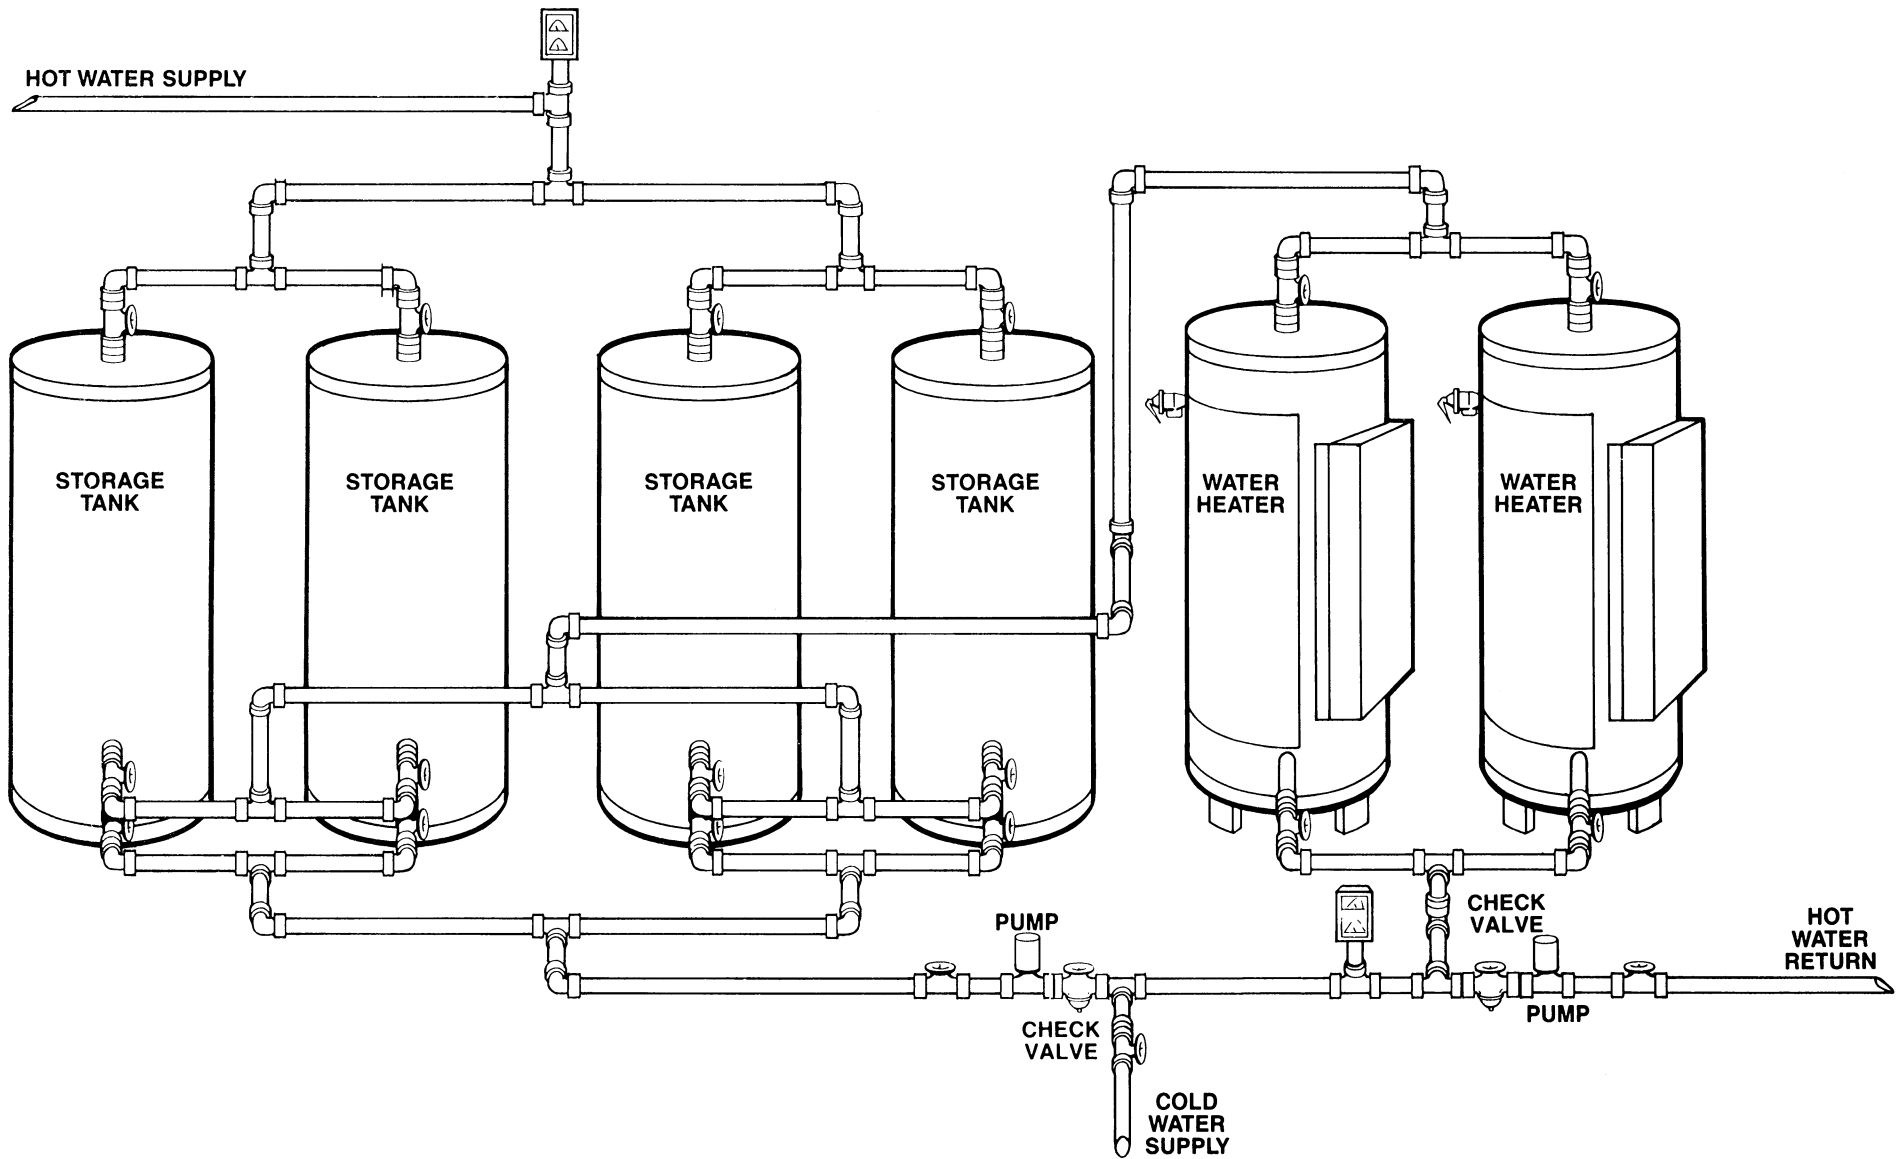

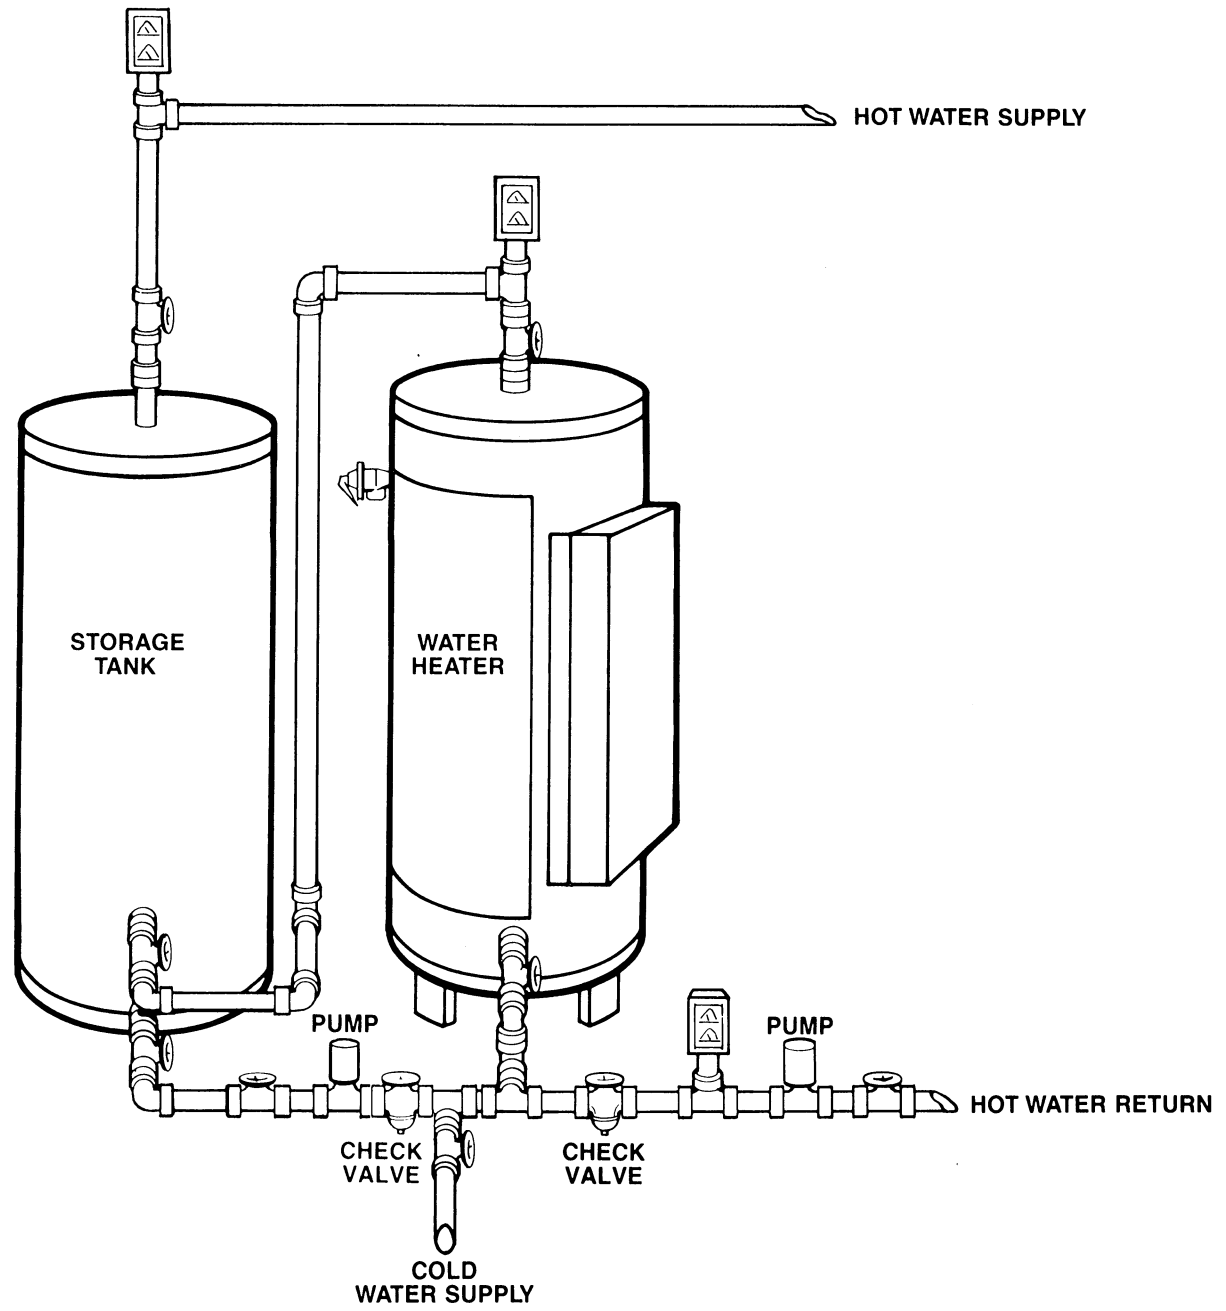

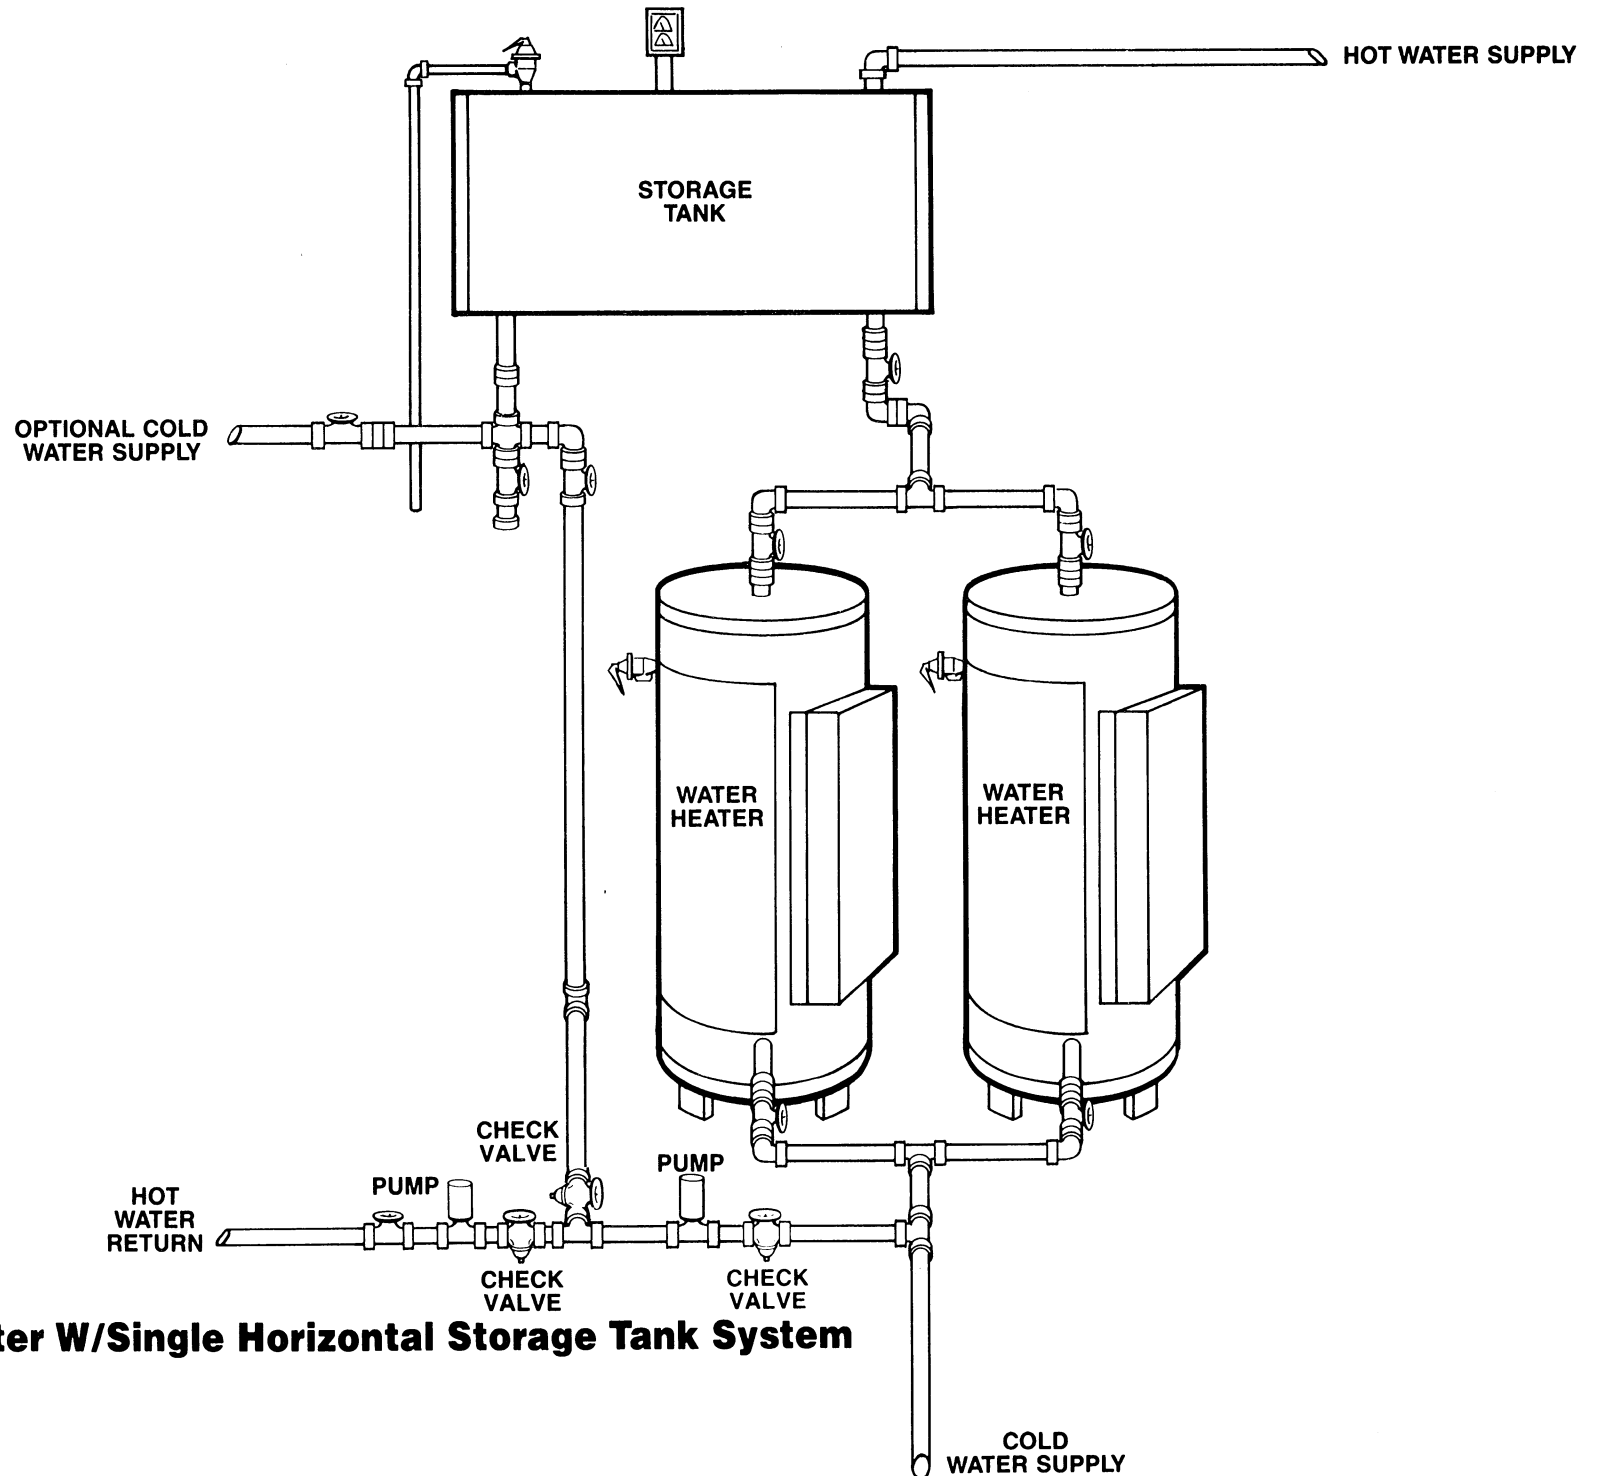

**Single Heater W/Triple Vertical Storage
Tank System (Factory Manifolding)**

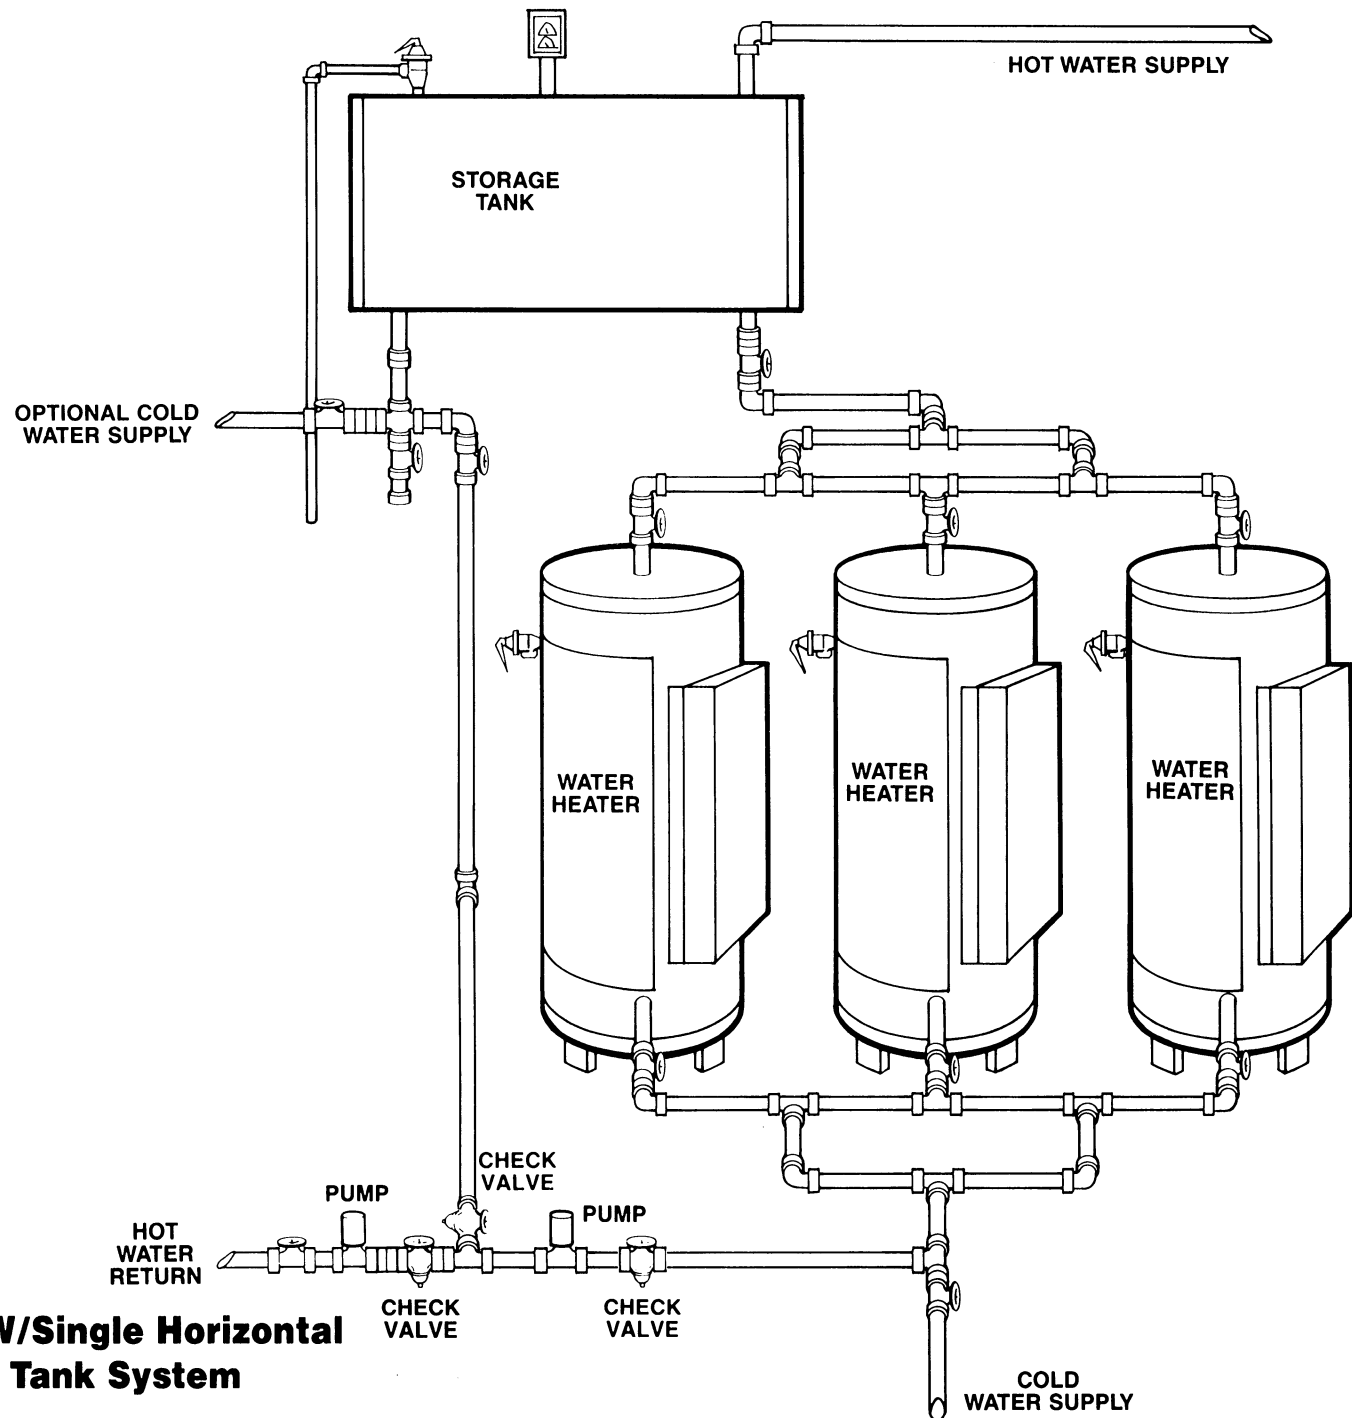

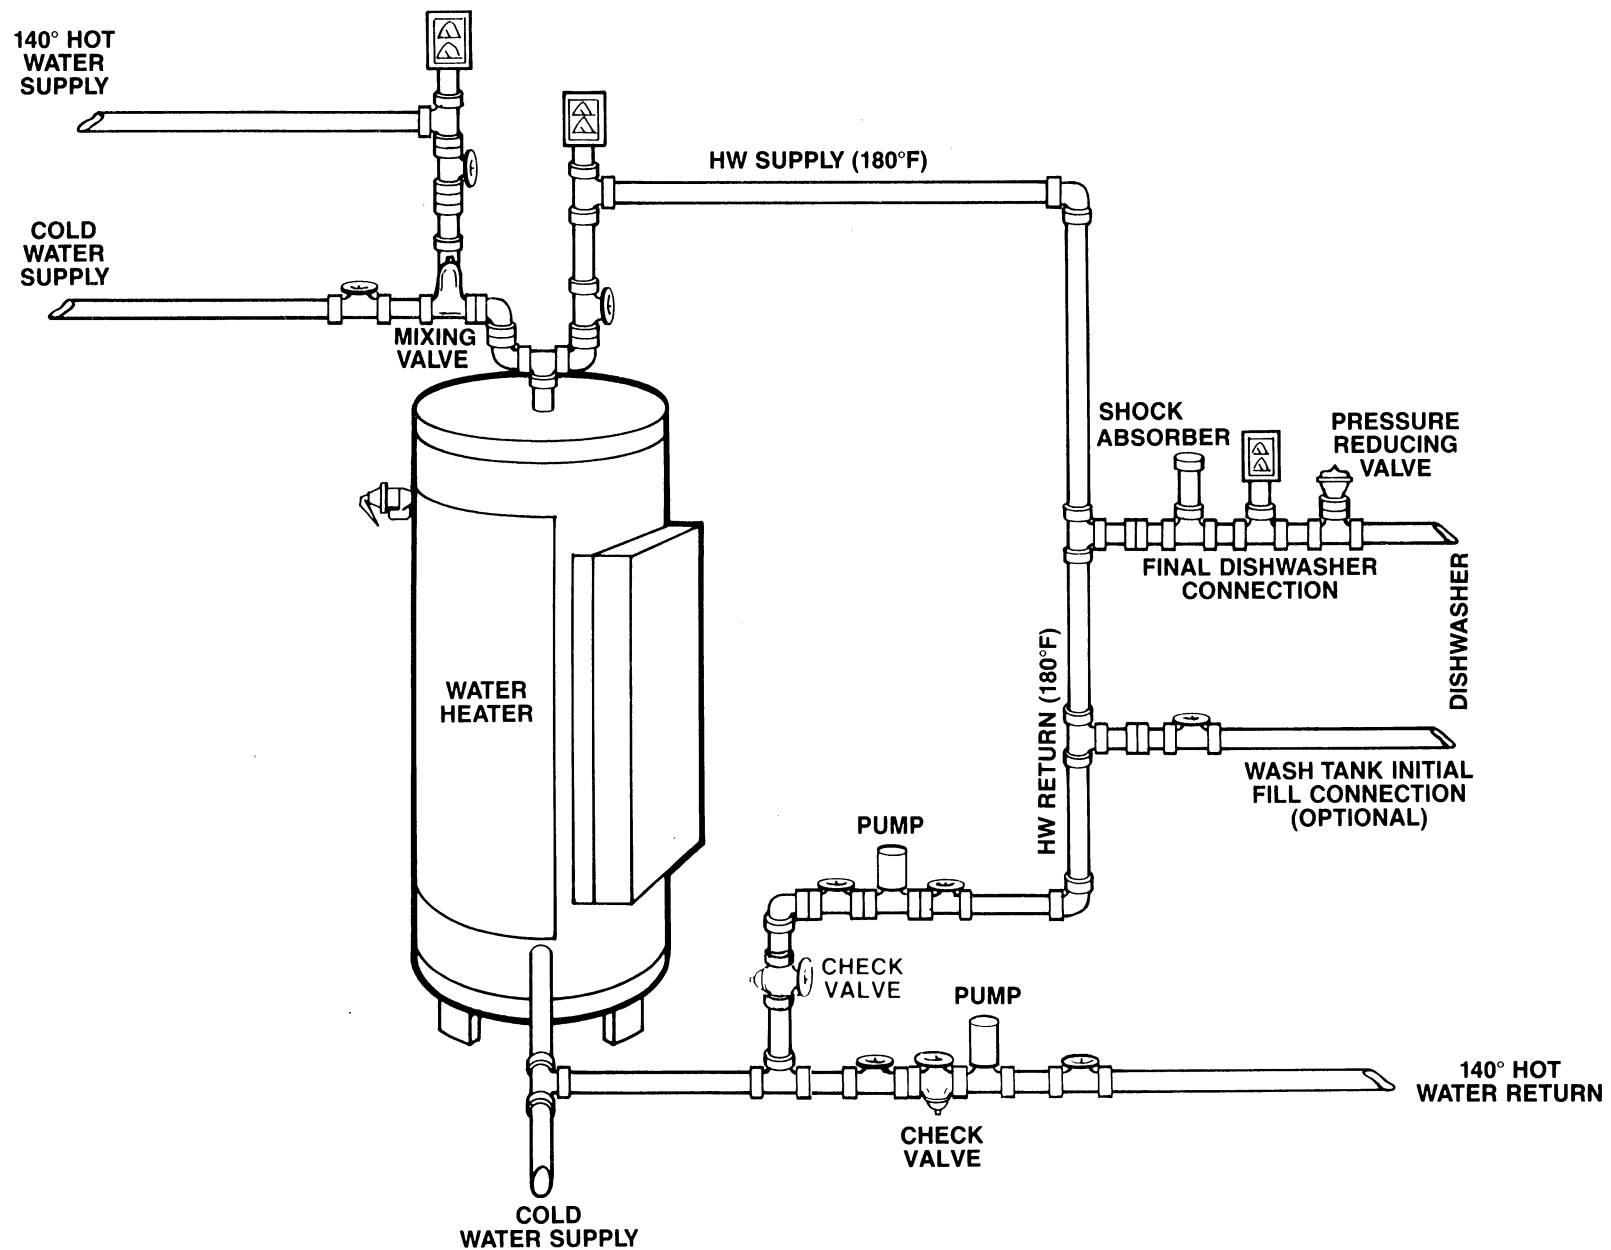

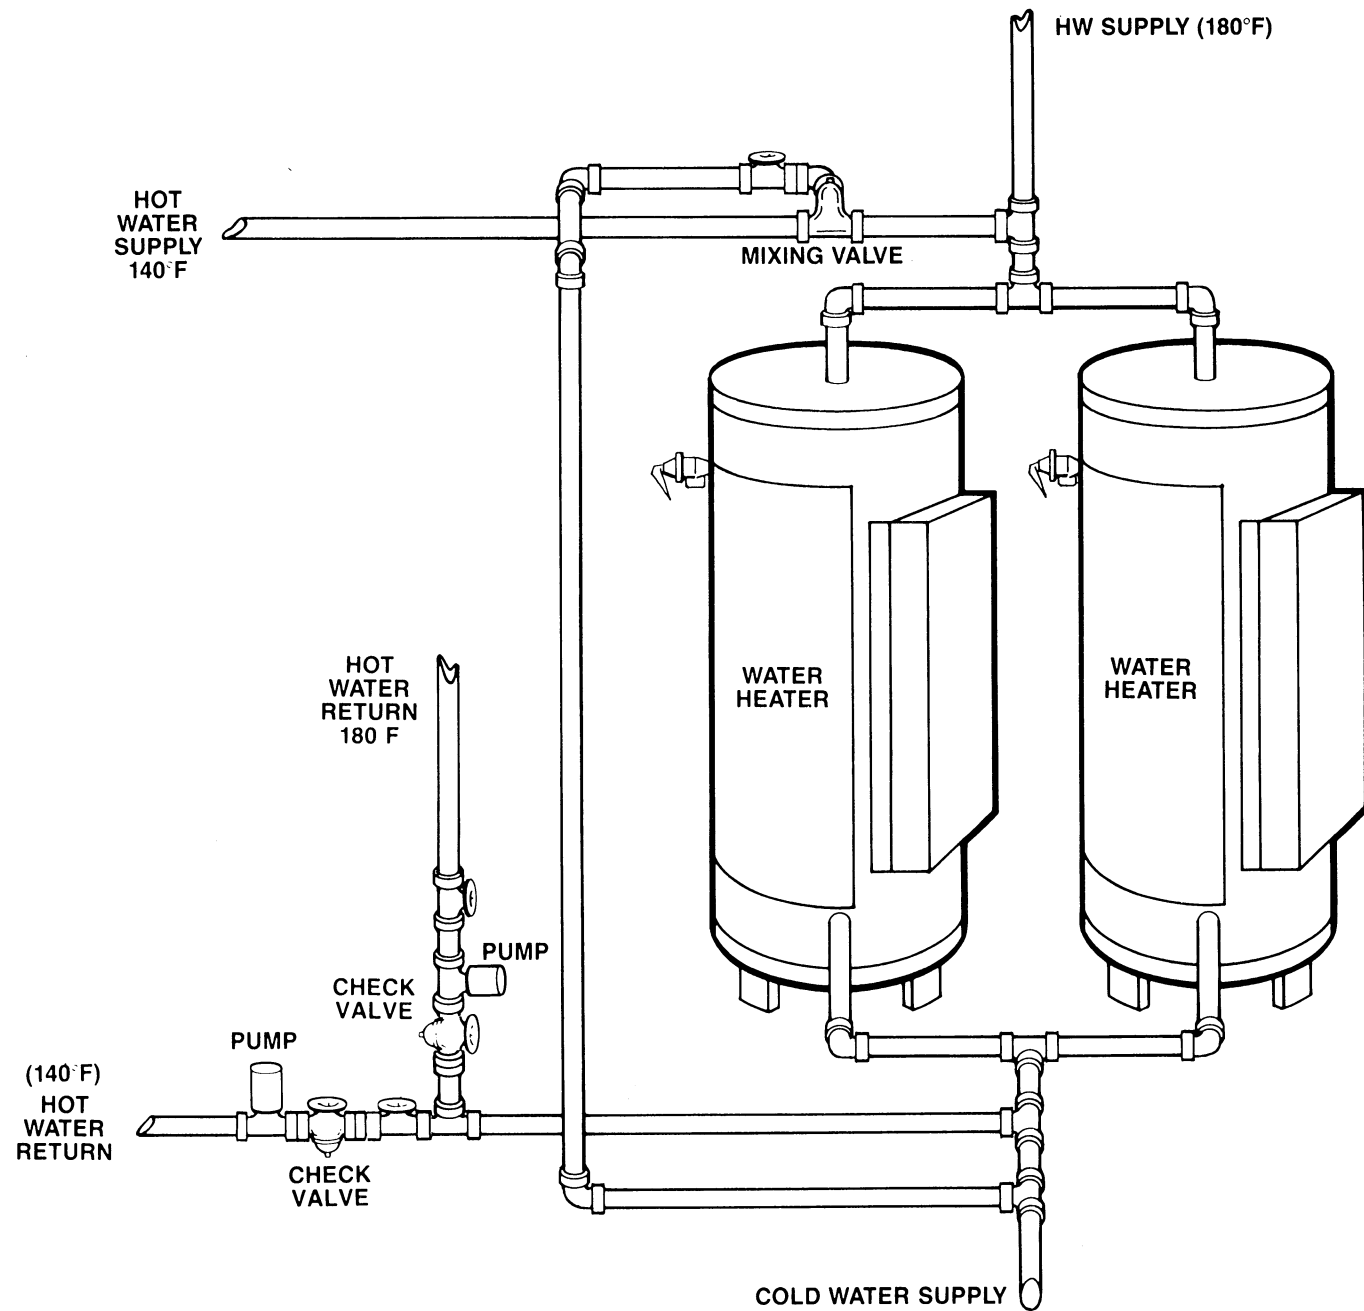

Dual Heater W/Single Horizontal Storage Tank System

Two Temperature, Single Heater System

Two Temperature, Dual Heater System (Factory Manifolding)
