

ET116-002

Drain Line Adapter (DLA) with 3/8-inch Quick Connect Fitting for a Water Filter and 7/8-inch Fitting for a Dishwasher

Features:

- Accommodates 1/2-inch, 5/8-inch, 3/4-inch, and 7/8-inch dishwasher drain hose
- Simple installation bypasses existing plumbing with no pipes to undo
- Self-cleaning port resists clogging
- Silent operation eliminates most reject water noise

General Description:

The ET116-002 Universal Drain Line Adapter With 3/8 inch Quick Connect for Dishwasher and Reverse Osmosis Water Filter (RO) is designed for installation on all garbage disposals where the dishwasher drain inlet is located. The ET116-xxx series adapters enable easy connection of dishwasher and RO drain lines to a garbage disposal unit. It is shipped with all necessary accessories for a quick and easy installation. The design of the ET116-xxx series adapters eliminates gurgling sounds from RO water drain line and provides a legal way to connect RO system to drainage.

ET116-xxx series drain line adapters are listed by UPC® and tested for compliance with IPC® and NSF® standards.
