

# Alligator Water Pump Pliers

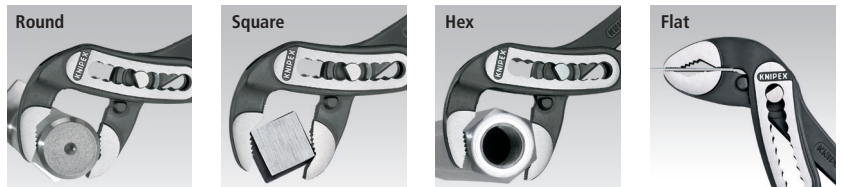

Available from 7 1/4" to 16" in length

## Robust pliers for very hard applications

The KNIPEX family of Alligator® Water Pump Pliers is available in a range of lengths from 7 1/4" to 16" and in a variety of handle styles. All sizes feature multiple adjustment positions for 30% more gripping capacity. When compared to conventional water pump pliers of the same length, the Alligator Pliers offer more output and comfort. These pliers are designed to cover many different applications so be sure to make room in your toolbox for KNIPEX Alligator Water Pump Pliers.

- gripping surfaces with special hardened teeth, teeth hardness approx. 61 HRC: low wear and stable gripping
- self-locking on pipes and nuts = no slipping off the workpiece and low handforce required
- forged box-joint design for very high stability providing a true top and bottom grip
- thin head and joint area fits into tight places
- Most sizes feature 9 adjustment positions except the 16" (88 01 400) which has 11 adjustment positions
- Pinch guard prevents operators' fingers from being pinched
- Robust construction; particularly suitable for heavy duty work
- German chrome vanadium electric steel, forged, oil-hardened

Alligator®

The KNIPEX full line of Alligator Water Pump Pliers is unsurpassed in the market. We have an Alligator Pliers to meet all of your applications.
