

# Push Fit Coupling

## SPECIFICATION

- Lead Free
- **Material:** Brass Alloy C46500
- **Max working temperature:** 200oF (90oC)
- **Max working pressure:** 150psi (10bar)
- **Max resistant pressure:** 350psi (25bar)
- **Max endured pressure:** 600psi (40bar)
- **Suitable for different kinds of piping system:** Copper, PEX, CPVC
