

Black Woven Duct Strap

1-3/4" x 100 Yds.

FEATURES

- **Woven Material** – Offers superior strength and flexibility, ensuring a secure and reliable hold for ductwork installations.
- **300ft Length** – Provides ample material for large projects or multiple installations.
- **Duct Strap** – Designed for easy, secure installations.
- **1-3/4" Width** – Ensures a wide enough surface area for firm support for ducts while minimizing any risk of damage to the duct surface.
