

PEX Suspension Tube Clamp

(Bag of 100)

SPECIFICATION

- **Stable** - Isolates tubes from mounting surfaces for ideal overhead support
- **Durable** – Made from high impact polypropylene to reduce noise transfer, absorb vibration, and remain impact resistant to 0°F
- **Heat-resistant** – Can withstand a maximum temperature range of 175°F (continuous) to 185°F (intermittent)
- **Safe Working Loads** - 1/2", 12lbs; 3/4", 16lbs
