

Braided Stainless Steel Hose Toilet Connector

FEATURES

- **Stainless Steel Construction** – T304 stainless steel makes the hose body durable yet flexible.
- **Nickle-Plated Brass Nut** – prevents corrosion and provides a low coefficient of friction.
- **NSF-Approved PVC** – gives the inner-tube excellent resistance to weathering and strong, long-lasting performance.
- **Built-in EPDM** - Makes the washer more resistant to abrasion and harsh chemicals.
- **Rated for Durability** - Able to withstand a maximum operating temperature of 180°F at 125 PSI.

SKU	Compression Size	Ballcock Size	Length with Fitting
TC9	3/8" Compression	7/8" Ballcock	9"
TC12	3/8" Compression	7/8" Ballcock	12"
TC12-M	3/8" Compression	7/8" Ballcock	12"
TC12-5078	1/2" Compression	7/8" Ballcock	12"
TC16	3/8" Compression	7/8" Ballcock	16"
TC16-M	3/8" Compression	7/8" Ballcock	16"
TC20	3/8" Compression	7/8" Ballcock	20"
