

1/2" NPT P.P. Test Plug w/ Gasket

FEATURES

- **All-in-One** – Serves as a combination test plug and stub-out for drop eared elbows.
- **No Tools or Thread Seal Required** – The gasket can be installed manually so no time is wasted applying and removing thread tape after each use.
- **Long-Lasting** – The reusable design gives the gasket an increased service life.
- **Smooth at Thread** – Makes the gasket easy to plaster.
