

BrassCraft®

SpeediOne™ Flexible One-Piece Water Supplies

Fast. Advanced. Reliable.

For 70 years, Brasscraft Manufacturing Company has given plumbers what they want. The SpeediOne™ one-piece supplies delivers our trusted water supply stops with a durable, flexible water connector in one.

SpeediOne™ One-Piece Water Supplies

Our connectors are durable and require no cutting or soldering during installation.

Stainless Steel

Vinyl

Braided

Available in a variety of configurations for toilet and faucet with multi-turn or 1/4 turn valves and flexible stainless steel, braided or vinyl connectors.

- Compression, CPVC, PEX, cold expansion and Push Connect inlet connections
- Is a significant time saver with one less connection to make
- Long wing nuts make hand tightening secure, quick and easy
- Connectors bend freely without kinking or crimping. Great in tight installations
- Designed machined, and assembled in the USA

Our valves feature a one-piece brass body that provides strength, durability and long-lasting performance, with easy-to-remove handles that protect against accidental operation during rough-ins.

Multi-turn stops are the industry standard with proven performance. Available in a wide variety of configurations.

1/4 turn stops offer durable construction and innovation. Available with a full range of options, including push connect technology.
