

*Comfort-Care*®

**RSG13**

**AIR CONDITIONERS**

**MAKE THE EASY CHOICE FOR YOUR  
FAMILY'S HOME COMFORT.**

A man and a woman are sitting on a light-colored sofa, smiling and looking at each other. The woman is holding a glass of red wine. They are in a room with a large floor-to-ceiling window that looks out onto a cityscape. The text is overlaid on the upper right portion of the image.

## **ENJOY IMMEDIATE INDOOR COMFORT YOU CAN DEPEND ON FOR YEARS.**

When you need cooling relief right away, your quick decision can be a confident one, thanks to Comfort-Aire®. Built with quality materials for long-lasting reliability and efficient performance, a Comfort-Aire® air conditioner is the choice you don't even have to think about.

## SOME DECISIONS ARE TOUGH. THIS ONE ISN'T.

When you consider Comfort-Aire® systems, quality and value are givens. You're getting peace of mind with great features and smart designs that squeeze more efficiency out of every energy dollar. And best of all, you get it right now.

### Relax and breathe a little easier.

The Comfort-Aire® RSG13 is built with carefully selected components, like the heavy-duty scroll compressor, and are 100% factory-tested to ensure your air conditioner will last for years to come.

### Greater efficiency means more money in your pocket.

The Seasonal Energy Efficiency Ratio (SEER), is the standard measure of an air conditioner's operating efficiency. A higher SEER indicates better performance and energy savings. Rated at 13 SEER, the Comfort-Aire® RSG13 air conditioner uses less energy than older units, so you'll spend less on utility bills.

**Over the years, a hardworking Comfort-Aire® air conditioner can save you hundreds of dollars on utility bills.**

U.S. Average Five-Year Electric Cumulative Energy Savings for High-Efficiency 13 SEER Air Conditioners vs. 10 SEER. Energy Efficiency and renewable Energy Network, U.S. Department of Energy. The U.S. national average is used for electricity consumption. Actual cost savings may vary depending on personal lifestyle, system settings, equipment maintenance, local climate, actual construction, installation of equipment and duct system, hours of operation and local utility rates. This information is intended as an example for comparison purposes only.

### Enjoy season after season of worry-free operation.

With a Comfort-Aire® air conditioner, you'll get dependable performance when you need it. We start and operate each unit at the factory to help ensure it performs as expected and provides the highest level of reliability. Which means that as soon as the temperatures begin to rise, your air conditioner will be ready to work for you.

# THE FULL-FEATURED COMFORT-AIRE® RSG13 IS THE RIGHT CHOICE, RIGHT NOW.
