

COMBAT P-TRAP

Achieve constant drain flow maintenance through the unique condensate drain line treatment tablet dispensing method. Eliminate or prevent blockages of condensation drain lines due to the buildup of bacteria, slime, rust, scale, sludge, airborne dust, silt, and algae.

- 1 To clear blockage, simply remove cap and basket. Use preferred type of device (Vacuum, CO2 gun, Nitrogen).
- 2 Ball valve can be closed for cleaning. No need for cutting drain line.
- 3 Fits all chlorine tabs on the market.
- 4 Easily insulated with standard insulation.
- 5 The P-Trap helps reduce noise by decreasing reverberations of airflow and draining condensate.

Supporting
Our Veterans

Designed, engineered, and patented by an HVAC technician who is an Army combat veteran. Our mission is to donate a portion of product sales to benefit Combat Veterans with PTSD (Post Traumatic Stress Disorder) and TBI (Traumatic Brain Injuries).
