

# COMBAT CONDENSATE DRAIN SYSTEM

## COMBAT P-TRAP

**Achieve constant drain flow maintenance through the unique condensate drain line treatment tablet dispensing method.**

**Eliminate or prevent blockages of condensation drain lines due to the buildup of bacteria, slime, rust, scale, sludge, airborne dust, silt, and algae.**

- ★ To clear blockage, simply remove cap and basket. Use preferred type of device (Vacuum, CO2 gun, Nitrogen).
- ★ Ball valve can be closed for cleaning. No need for cutting drain line.
- ★ Fits all chlorine tabs on the market.
- ★ Easily insulated with standard insulation.
- ★ The P-Trap helps reduce noise by decreasing reverberations of airflow and draining condensate.

Part Number: CPT-100

A Patented HVAC condensate drain line maintenance system prevents blockages of condensation drain lines. Combat P-Trap achieves constant drain flow maintenance through a unique condensate drain line treatment tablet dispensing method.

Adaptable for universal applications, the Combat P-Trap prevents blockages of condensation drain lines due to the buildup, commonly known as "White Slime" or "Zoogloea."

If clogs do occur because the cartridge of tabs is empty, users can clear blockages by simply turning the shut-off valve and removing the cap and basket and using a preferred type of device-vacuum, CO2 gun or Nitrogen.

### BUILD OPTIONS

# COMBAT CONDENSATE DRAIN SYSTEM

## COMBAT TABS

### Cleaning Tabs for Condensate Management

Combat Tabs have a proprietary formula that is not Chlorine based. Chlorine can be harmful to PVC drain lines. The active ingredient is an EPA registered chemical, commonly used in disinfectants and sanitizers to kill bacteria, prevents microbial growth in many applications including those present in AC drain lines.

- ★ 18 full size tabs fit in cartridge
- ★ Cleans drain pan & lines
- ★ Controls odors, improves IAQ
- ★ Prevents slime and sludge build-up
- ★ Biodegradable
- ★ OEM Approved

Part Number: CPT-44

## COMBAT FLOAT SWITCH

Part Number: CPT-200

**Supporting  
Our Veterans**

Designed, engineered, and patented by an HVAC technician who is a US ARMY Veteran. Our mission is to donate a portion of product sales to benefit Combat Veterans with PTSD (Post Traumatic Stress Disorder) and TBI (Traumatic Brain Injuries).
