

# Filter,HEPA,HERO200H,Repl.kit

Item Number: [428552](#)

Replacement filter kit features 2 air filters with HEPA rating. The filter will collect up to 99.97% particles as small as 0.3 microns in size such as carbon dust, bacteria, legionella, combustion smoke, milled flour, welding fumes, pollen, bacteria, pet dander, and mold spores.

With normal usage, it is recommended that you replace this filter every month to keep your ventilation system running smoothly while ensuring you get the fresh indoor air you deserve.

The kit includes 2 filters. Suitable for HERO 200H and HERO 250H.
