TECHNICAL DATA

Fluke LTE Communications Module

Key features

- 4G LTE communications
- Review and download data remotely
- Remotely control your Fluke Power Quality Analyzer

Product overview: Fluke LTE Communications Module

The Fluke LTE communications module expands the communication capabilities of the Fluke 1773, 1775 and 1777 power quality analyzers.

With the 4G LTE module remote communications is possible allowing viewing of data, remote control and download of recorded data. Data downloads can be done while the power quality analyzer is recording.
