

2028X

The Rig Lizard® MudGrip® 2028X features our highly flexible IR-X® Impact Exoskeleton™ on the back-of-hand offers level 2 impact protection. An inner HPPE and steel blend liner provides level A6 cut and level 4 puncture protection on the palm, while the MudGrip® palm features synthetic leather and abrasion-resistant PVC dots for a good grip in dry or light oil situations. Heavy wear areas on the thumb saddle have been reinforced with durable TP-X®. An elastic cuff with a hook and loop closure completes the glove for a secure fit.

Attributes

Style:	Mechanics
Grip:	Dry or light oil
Cuff style:	Elastic with hook and loop closure
Sizes:	6/XS through 12/3XL

Product features

- HPPE/Steel blend liner provides industry-leading cut resistance on palm and around top of thumb and index finger (interior layer)
- Back-of-hand sewn-on IR-X® impact guards on knuckles and fingers
- Reinforced TP-X® index finger and thumb saddle
- MudGrip® palm: Synthetic leather with abrasion resistant PVC dots
- Elastic cuff with hook and loop closure for a secure fit
- Grip in dry or light oil situations
- Form-fitting, quality materials with reinforced seams
- High dexterity
- Pull tab loop
- REACH compliant for being skin-safe and void of harsh chemicals
- Vend-packed
