HexArmor®

Chrome Series® Our signature mechanic's style glove line that redefined cut protection, impact resistance, and dexterity in the safety industry.

The Chrome Core™ 4032 features an interior layer of SuperFabric® brand material on the palm to deliver outstanding cut, puncture, and abrasion protection where you need it most. The glove's durable, unique synthetic leather palm maintains excellent grip in dry and light oil situations, making it one of the safest mechanic's style gloves on the market.
