

CHROME SLT® 4075

Built for use in a wide array of applications, the Chrome SLT® 4075 was crafted with a breathable hi-vis material on the back of hand, a thin goatskin leather palm for a traditional leather feel, and an interior HPPE blend liner with 360° cut resistance and moisture-wicking capabilities. The 4075 is complete with a reinforced thumb saddle and a SlipFit® cuff for quick on and off between tasks. Our Chrome SLT® gloves were designed with the ultimate comfort in mind, providing unsurpassed dexterity while maintaining cut and puncture resistance, keeping your hands safe and comfortable all day long.
