

PointGuard[®] Ultra 6044 is recommended for use as an under glove. A lightweight spandex shell with elastic wrist support. With the highest needlestick and cut-resistance, this glove liner provides incredible protection.

HexArmor[®] sets the industry standard for needle protection with solutions for a variety of applications. The PointGuard[®] Ultra is a manufacturing breakthrough that utilizes high-performance SuperFabric[®] brand material technology to provide the highest levels of needle and cut protection available on the market.
