

PointGuard[®] ULTRA[®] WITH SuperFabric[®]

9032

HexArmor[®] sets the industry standard for needle protection with solutions for a variety of applications. The PointGuard[®] Ultra 9032 gives you industry-leading level A9 cut protection and level 5 needlestick protection with three layers of SuperFabric[®]* brand material for some of the best protection on the market. A sandy nitrile three-quarter knuckle coating covers a hi-vis polyester shell to help bring glove visibility and compliance to a new level, all while offering an excellent grip in wet or dry situations. For your single-glove solution against needlesticks and high-cut work, the 9032 is it.
