

Arm & Body Protection

AG8TW

Industrial puncture protection for the forearm with spandex wrist insert with thumbhole and snap fasteners. No more snags, punctures, abrasions, or cuts to the forearm.

HexArmor® sets the industry standard for needle protection with innovative solutions for a variety of applications. This unique product is engineered to provide the highest levels of needle and cut protection available on the market. All HexArmor® products are engineered to provide users with the highest levels of protection in areas where risk is the greatest.
