Warranty

9-Year We Come to You® In-Home Limited Warranty²

Food waste is roughly 60-95% water. By using your disposal regularly, you can help divert food waste from landfills and reduce greenhouse gas emissions. Many wastewater treatment plants are capable of converting food waste processed by your garbage disposal into renewable energy and beneficial fertilizer. Make sustainability a family affair by using your disposal. After all, the smallest changes can make the biggest impact.

Job Specifications

- ¹ Compared to InSinkErator® 1-stage grind and 2-stage MultiGrind® Technology.
