Notes

Install this product according to the installation instructions.

Plumbing codes require approved backflow prevention devices to be installed in-line to handshowers. Please consult with local plumbing officials.

Mount the sidebar to stud framing or install backing support.

For tile or other solid finish surfaces: Predrill mounting holes through surface material only; do not drill into the stud.

For drywall surface: No predrill is required.

NOTE: The mounting brackets can be adjusted to align with existing holes for retrofit installations.
