

## Class E Type 2 Hard Hat, Non-Vented Full Brim with Chin Strap and Headlamp

Klein Tools Cat. No. 60406T2RL Type 2 Hard Hat delivers advanced protection, comfort, and visibility for demanding jobsite conditions. Patented accessory mounts allow secure, strap-free headlamp attachment—paired with an included 300-Lumen rechargeable headlamp for all-day runtime. The 6-Point suspension system ensures a comfortable, breathable fit, while washable padding and a non-vented full brim shell provide reliable performance in high-risk environments.
