

Product Specifications

Assorted Nylon Walldriller Plus Anchor Kit w/Pan Head Phillips Drive Screws

Part number WDKAK
Category number 4733
UPC 781002858164

The WallDrillerPLUS® is designed to offer superior holding power in drywall material. Its fine centered point helps guide the anchor into the wall with flawless precision. A sharp profile thread cuts deep into the hole without damaging the drywall, ensuring superior holding power and stability. The sharp cutting edge reduces the force required to cut the material, making it a self-drilling anchor without pre-drilling.

Physical Characteristics

Anchor Type	Wall Board
Head Type	Pan
Screw Size	Assorted
Bit Size	Assorted
Material	Reinforced Nylon & Acetal
Screw Material	Carbon Steel
Number of Pieces	109

Packaging Details

Kit Contains
