

**CHARGE UP TO
2X FASTER**
WITH POWER DELIVERY

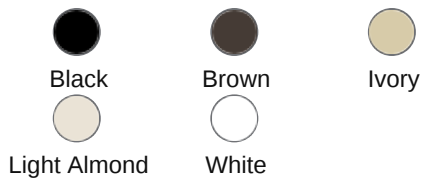

Color :  Gray

UPC Code : 078477471524

Country Of Origin : Mexico - Pending

NEMA :  5-15R

Available Colors :

T5636-G

60W (6A) USB Dual Type-C/C Power Delivery Wall Outlet
Charger with 15A Tamper-Resistant Outlet

60W (6A) USB Dual Type-C/C Power Delivery Wall Outlet
Charger with 15A Tamper-Resistant Outlet - Gray

- **POWERFUL** – 60W charge on a single port. Up to 2x the charging power with PD-enabled devices
- **INNOVATIVE** – USB Type-C or USB-C provides faster charging and is the new standard port on many phones, tablets and laptops
- **ENHANCED SAFETY** – Overcurrent protection helps protect electronic devices from over charging/heating and tamper-resistant outlets prevent unwanted objects from being inserted into the outlets
- **FAST CHARGING** – Smart chip ensures each device gets the power level it needs to charge fast and efficiently

Technical Information

Product Features

Amperage : 15 A

Brand : Decora

Color : Gray

Grade : Residential
/Commercial Specification
Grade

Grounding : Grounding

NEMA : 5-15R

Power Delivery : Yes

Strap Material : Steel

Tamper Resistant : Yes

Termination : Wire Leads

Type : Standard Duplex

Voltage : 125 VAC

Wallplate : Included

Warranty : 2-Year Limited

Wire : 3

Electrical Specifications

Flammability : Rated V-0 per
UL 94

Operating Temperature : -10°
C to 40°C

Environmental Specifications

Body Material : Thermoplastic

Face Material : Thermoplastic

Notes : w/ Wallplate

Operating Temperature : -10°
C to 40°C

Yoke : Zinc-Plated Steel

Mechanical Specifications

Type : Standard Duplex

Standards and Certifications

FCC Part 15 : Class B

Listed : cCSAIs

NOM : 057

UL 1310 : Yes

UL 498 : Yes

Warranty : 2-Year Limited

Features and Benefits

- Your time matters. Charge for minutes, enjoy for hours!
- The most advanced USB in-wall charger on the market with up to 2X the charging power with PD-enabled devices. Also compatible with non-PD devices as well as Type A devices (adapter required)
- Up to 60W charge on a single port when connected to a PD-enabled device, up to 30W charge per port (60W total) when both USB ports are in use
- Maximum charging outputs: 5V/3A, 9V/3A, 15V/3A, 20V/3A with a maximum power output of 60W
- USB Type-C provides faster charging and is emerging as the standard port on many phones, and tablets, such as iPhones, iPads, Samsung Galaxy, Samsung Tabs, Google Pixel and More
- Compatible with USB 3.1, 3.0, 2.0, 1.1 devices
- Smart chip recognizes and optimizes the charging requirements of individual devices
- No data transfer capability
- Overcurrent protection helps protect the electronics from receiving too much power, which can damage the device
- Internal thermoregulator prevents the electronics from overheating
- Tamper-resistant outlets block access by most non-rated /foreign objects to help keep children safe
- For new construction and retrofit installations, an extra deep electrical box (20 cu. in.) or wallbox extender is required
- Use with Decora wallplate or Decora Plus screwless wallplate (sold separately)
