

Blank MOS Modules

APPLICATION

Blank Modules snap into Multimedia Outlet System (MOS) wallplates and surface-mount housings from the front or side. The modules secure empty spaces and prevent debris from entering the wallplate.

SPECIFICATION

Outlet adapter modules shall comply with ANSI/TIA-568-C requirements. They shall be made of fire-retardant plastic. Modules shall be interchangeable, mounting between various multimedia surface- and flush-mount outlets.

FEATURES

- Modules load into housings from the front or side
- Available in five colors: white, light almond, ivory, grey and black

DESIGN CONSIDERATIONS

- Modules fit MOS housings and wallplates only
- Modules are .5, 1, 1.5, and 2 units high

STANDARDS COMPLIANCE

ANSI/TIA-568-C compliant
cULus Listed (UL1863, CAN/CSA C22.2 No. 182.4-M90)

PHYSICAL SPECIFICATIONS

Dimensions: See page two

Materials: Fire-retardant plastic, rated UL 94V-0

Mounting: Module snaps into MOS wallplate or surface-mount housing

COUNTRY OF ORIGIN

USA
