

EZ-RJ45® Cat 5e Plug and Crimp Tool

APPLICATION

Leviton EZ-RJ45 Plug and EZ-RJ45 Crimp Tool support quick, cost-effective UTP wire terminations. The connectors feature openings that allow wires to be inserted and extended out the front to provide increased performance, wire-sequence verification, and no wasted connectors, crimps, or bad terminations. Plugs exceed Category 5e standards when terminated using the Leviton EZ-RJ45 Crimp Tool. The crimp tool features a built-in cutter that crimps and cuts wires in one operation. It accommodates EZ-RJ45 Plugs, and most standard RJ-45 and RJ-11 connectors. This craft-friendly tool features precision ground crimp dies, a full-cycle ratcheting mechanism, and steel construction for strength and durability.

EZ-RJ45 Cat 5e Plug

EZ-RJ45 Crimp Tool (not to scale)

FEATURES

- Clear housing for easy wire-sequence verification
- Crimp Tool crimps and cuts wires in one operation

DESIGN CONSIDERATIONS

- Exceeds Category 5e performance requirements
- Insert/extraction life: 1000 cycles
- Terminates solid and stranded cable
- For insulated conductors with OD range of 0.037 to 0.041
- Max cable OD: 0.240" (6.09 mm)
- Ideal for use with indoor LSZH, CM, CMR, and CMP cable constructions. For Outside Plant (OSP) and Industrial cable constructions evaluate plug and cable combination for application suitability

STANDARDS & REGULATIONS

- ANSI/TIA-1096-A
- cULus Listed

MECHANICAL SPECIFICATIONS

Dimensions: See page two

Materials: Polycarbonate body and phosphor bronze

COUNTRY OF ORIGIN

Plug: USA

Crimp Tool: Taiwan

WARRANTY INFORMATION

For Leviton product warranties, go to leviton.com/ns/warranty

SPECIFICATION

The Cat 5e EZ-RJ45 Plug shall meet ANSI/TIA-1096-A and Category 5e requirements (when used with the Leviton EZ-RJ45 Crimp Tool). It shall be constructed with phosphor bronze contacts selectively plated with 50 microinches of hard gold, and a polycarbonate body. It shall allow UTP wires to extend through the body and out the front to verify wire sequence prior to termination.
