

New to the Malco AVs® Snip Lineup

Malco Long Cut AVs® for faster and longer cuts!

Malco is excited to introduce the Long Cut AVs® as our newest models to the AVs® snip product line. These snips are designed with long blades to promote longer and faster cuts to reduce time and fatigue on the job site. Made with hardened forged steel jaws that will provide long lasting cuts and strength while working with a variety of materials.

AV63 **NEW!** Offset Left Long Cut AV (Left & Straight)
• 2-1/4" Cut

AV73 **NEW!** Offset Right Long Cut AV (Right & Straight)
• 2-1/4" Cut

AV33 **NEW!** Combo Long Cut AV (Right, Left, Straight)
• 3" Cut

FEATURES
