

# 330 IPS Patch Clamp • Spec Sheet

## FEATURES & BENEFITS

### THE #330 PATCH CLAMP:

- Available for iron pipe size, copper tube size and actual outside diameter size.
- No loose parts.
- Can be installed with one hand.
- Round corners with sheared edges turned down, eliminating the danger of small cuts or nicks during installation.
- A long carriage bolt with extra large shoulder that prevents the bolt from spinning during installation.
- A double chamfered oversized nut that allows easy hand tightening.
- We have the finest packing in the industry utilizing die cut boxes that are quadruple thick, eliminating all possibilities of damaging clamps both un shipping and in your inventory.

**AVAILABLE IN 3/8" – 24" DIAMETER  
AVAILABLE IN 3", 6", 9" AND 12" WIDE**

**BAND:** Stainless Steel - Type #304.

**LUGS:** Malleable Iron - Electro Galvanized with Dichromate finish.

**BOLTS:** Carbon Steel - Electro Galvanized with Dichromate finish.

**NUTS:** Carbon Steel - Electro Galvanized with Dichromate finish .

**WASHERS:** SAE Flat Washer - Zinc II plated.  
Meets specifications of ASTM-F844.

**GASKET:** Gridded Nitrile Buna Rubber is especially resistant to aromatic hydrocarbons, gasoline, petroleum oils, mineral oils, vegetable oils and natural gas.

**TEMPERATURE RATING:** -20 degrees F to +180 degrees F.

**PRESSURE RATING:** 150 PSI

## ADVANTAGES:

**CLAMPS:** Pre-formed at the factory. Drop in bolt eliminates loose parts and allows for easy "one hand" installation.

**STAINLESS STEEL BAND:** Double slit so that edges on both sides of clamp turn under. This eliminates sharp edges which would cut your hand.

**LUGS:** Cadmium plated malleable iron to protect against rust and corrosion.

**BOLTS:** Have an extra long square shank. Other bolts have a slightly rounded shank that allows the bolt to turn.

**NUTS:** Oversized, allowing easy "one-hand" installation.

**PACKAGING:** Packed in a quadruple thick, fold-up box that prevents damage.

**SHIPPING:** Clamps are shipped completely assembled.

**MADE IN USA:** For faster service, higher quality and the ability to react to special customer needs.
