

# Product data sheet

Specifications

Wall mounted steel enclosure,  
PanelSeT S3DC, plain door, without  
plain chasis, 300x200x150mm,  
IP66, IK10

NSYS3DC3215

## Main

|                             |                            |
|-----------------------------|----------------------------|
| Range                       | PanelSeT                   |
| Product name                | PanelSeT S3DC              |
| Application                 | Multi-purpose              |
| Category                    | Compact enclosure          |
| Enclosure nominal height    | 300 mm                     |
| Enclosure nominal width     | 200 mm                     |
| Enclosure nominal depth     | 150 mm                     |
| Door type                   | Plain                      |
| Mounting plate description  | Without mounting plate     |
| Type of gland plate         | Without gland plate        |
| Installation accessory type | Wall-mounting              |
| Device composition          | 1 body<br>1 door<br>1 lock |

## Complementary

|                             |                                                                         |
|-----------------------------|-------------------------------------------------------------------------|
| body type                   | Single piece body<br>Gutter-shaped front profile double sheet thickness |
| Number of doors             | Front face: 1 door(s)                                                   |
| Door opening side           | Reversible (120 °)                                                      |
| Lock type                   | Screw driver insert lock                                                |
| Accessibility for operation | Front                                                                   |
| Removable parts             | Door by hinges                                                          |
| Material                    | Steel                                                                   |
| Surface finish              | Epoxy-polyester powder                                                  |
| Colour                      | Grey (RAL 7035)                                                         |
| Standards                   | IEC 62208                                                               |
| Product certifications      | UL                                                                      |
| Net weight                  | 3.007 kg                                                                |

## Environment

|                           |                              |
|---------------------------|------------------------------|
| NEMA degree of protection | NEMA 4X/13                   |
| IK degree of protection   | IK10 conforming to IEC 62262 |

|                         |                              |
|-------------------------|------------------------------|
| IP degree of protection | IP66 conforming to IEC 60529 |
|-------------------------|------------------------------|

## Packing Units

|                              |            |
|------------------------------|------------|
| Unit Type of Package 1       | PCE        |
| Number of Units in Package 1 | 1          |
| Package 1 Height             | 21.000 cm  |
| Package 1 Width              | 29.000 cm  |
| Package 1 Length             | 33.000 cm  |
| Package 1 Weight             | 3.394 kg   |
| Unit Type of Package 2       | PAM        |
| Number of Units in Package 2 | 36         |
| Package 2 Height             | 74.000 cm  |
| Package 2 Width              | 100.000 cm |
| Package 2 Length             | 120.000 cm |
| Package 2 Weight             | 134.000 kg |

## Contractual warranty

|          |           |
|----------|-----------|
| Warranty | 18 months |
|----------|-----------|

# Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.
