

# DuoFit™ and Stand-Off™ Clamps Available by the Bucket!

*The clamps you prefer -- in a handy, reclosable lid bucket!*

No need to break the bank when buying a bucket of clamps from Oatey®. You can now get your favorite Duo-Fit and Stand-Off clamps in a handy 2.1 gallon Oatey bucket.

The bucket holds 300-500 clamps depending on the size and type. And each bucket features a unique reclosable lid. No need to cut a hole in the lid like other buckets force you to do, tearing your hand up in the process of grabbing a handful of clamps.

Better yet, when the bucket is empty, it makes a great storage container, or is useful when working on plumbing under sinks and tight areas where bigger buckets just can't fit.

- > Smaller size bucket saves you money, more versatile.
- > Reclosable lid is easy on the hands.
- > Holds 400 DuoFit clamps.
- > Holds 500 1/2" Stand-Off clamps.
- > Holds 300 3/4" Stand-Off clamps.
