

Legrand radiant® 15A 3-Way Switch with Locator Light

Part No. TM873WSL

Perfect for use in larger rooms like master suites and foyers, this 3-way switch allows for control of a single light or fixture from two separate switches. It also includes a small, built-in light for easily locating in the dark. Part of the radiant® Collection, it features clean lines and smooth paddle action for a sophisticated touch. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

For use with incandescent lights/bulbs only.

Replaces any standard switch with ease, in as little as 10 minutes.

Locator light illuminates when switch is off, emitting a soft glow to help you find it in the dark.

Uses a paddle switch for smoother control with a low-profile aesthetic.

Features durable, high-impact resistant thermoplastic construction.

Designed to install easily with a narrower back body and captivated mounting screws.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.
