

Legrand radiant® 15A 4-Way Switch with Locator Light

Part No. TM874WSL

With a radiant® 4-Way Switch, you can control a single light or fixture from three or more separate locations (working in conjunction with 3-Way Switches). Perfect for basements or multi-level rooms. Part of the radiant Collection, it features clean lines and smooth paddle action for a sophisticated touch. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

For use with incandescent lights/bulbs only.	Replaces any standard switch with ease, in as little as 10 minutes.
Locator light illuminates when switch is off, emitting a soft glow to help you find it in the dark.	Uses a paddle switch for smoother control with a low-profile aesthetic.
Features durable, high-impact resistant thermoplastic construction.	Designed to install easily with a narrower back body and captivated mounting screws.
More color options available to fit any style, including finishes to match current hardware and lighting trends.	Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.
