Features and Specifications

Materials:

- Flange Body - Conforms to ASTM D2665 white PVC or ASTM D2661 black ABS
- Fits flush to floor over 3" or inside 4" Schedule 40 DWV pipe.
- Test cap holds over 30 feet of head pressure.
- Extra thick flange with 2 mounting slots provides radial alignment of water closet.
- 2 side slots allow for horizontal adjustment.
- 8 countersunk screw holes provide secure attachment to floor.
- Knockout test plug knocks out in one piece.
- Rectangular tabs prevent plastic knockout piece from entering into the drain line.
- Knockout test plug allows for testing of drainage system without special plugs or caps for the closet flange.
- Knockout test plug also prevents debris from entering the drain line during construction.
- * Part Number PFF116 is UPC® Listed.
- Made in the USA.
