

Metal 1-Gang Device Covers

Die-Cast Aluminum Rayntite® Covers

Applications

- For use whenever weatherproof protection is required for an outdoor receptacle

Product Features

- Rugged die-cast construction
- Durable powder coat finish provides maximum weatherability and scratch-resistance
- Self-closing lids assure weatherproof protection when the receptacle is not in use
- Vertical mount covers are padlockable (fits up to 3/16" shackle)
- May be mounted to box or device
- Includes installation hardware, gasket and multilingual instruction

Compliance

- File 195978
- Meets NEC® 406.9 (A) Requirements
- NEMA 3R
