SMART LEAK DETECTOR

Detect leaks instantly with the Rusco Smart Leak Detector. This leak detector connects to your Wi-Fi to send notifications to your device or automate actions like closing a Rusco Smart Ball Valve (sold separately).

KEY FEATURES

- ▶ Connects to Rusco SBV to perform automated tasks like shutting off valve if alarm is triggered.
- ▶ Will notify you via the SmartLife app if alarm is triggered.
- ▶ Small and lightweight

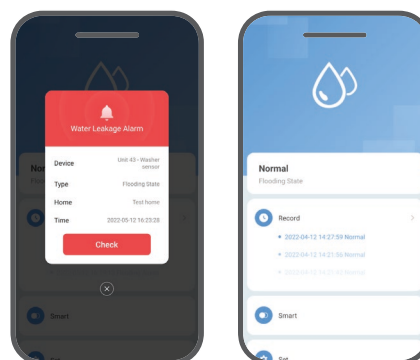

SPECIFICATIONS

Model Number:	SLD-W
List Price:	\$34.00
Material:	PC
LED Indicator:	Red
Battery:	(2)AAA
WiFi Frequency:	2.4 GHz
Wifi Standard:	802.11b/g/n
Size	80x30x27mm

EASY-TO-INSTALL

Rusco's Smart Detectors are small, lightweight and are powered by two AAA batteries so they are really easy to install.

Smart Life

Compatible with
Alexa/Google Home

GET NOTIFIED

The Smart Leak Detector will notify you via the SmartLife App when a leak is detected. So even if you're not home, you still know where a leak has been detected.

Rusco is a leading manufacturer of high quality, efficient, water sediment filtration products and accessories. Rusco filters are available throughout the United States and in many major international locations. We strive to always exceed our customers' expectation of quality and service, and to provide the most effective solutions.
