

Catch-All®

SPORLAN

Don't just catch some, Catch it ALL!

Benefits of Catch-All® with secondary filter:

- Reduces equipment down time, and potential product loss
- Reduces wear on compressor
- Particularly effective in commissioning larger systems

Actual secondary filter
from supermarket
refrigeration system.

New secondary filter

Sporlan Catch-All® replaceable core filter-drier with secondary filter is the only design in the industry that cleans even microscopic particles, down to 20 microns, from your systems.
