

Stapex™

Foamboard Staples

1.5" and 2.5" Extra sharp barbed foamboard staples to keep 3/8", 1/2", & 5/8" PEX tubing securely in place.

Molded with No Break Re-enforced plastic!

No stiff plastic weld to break causing those annoying stapler jams!

Strips of 30 staples with our easy peel tape minimizes stapler jamming and allows for simple hand installation without a stapler.

Freezer tested tape keeps staples together!

Stapex™ staples are compatible with most popular brands of foamboard stapling systems.
