Applications

The Bluefin TSSWEW Premium Molded Wood Toilet Seats are a thick polypropylene shell over a wood core that won't crack, chip, dent, flatten, flake, fade or peel like other wood seats. Super sanitary and non-porous. The seat is easy to install with top mount hinges and corrosion free hardware. Beautiful high-gloss finish. Fits standard elongated toilets.

Features

- **Length Adjustment:** Seat can be adjusted during installation for proper fit.
- **Premium Molded Wood:** Thick polypropylene shell over a composite molded wood core that resists cracking, chipping, peeling, and fading unlike conventional painted wood flou seats.
