Have a boiler not listed here, an unusual set of system requirements, or a particularly unique area to work within? Craft your own kit - all Hydro-Core components are available for individual purchase. A solution is available for any given need. Visit www.webstonevalves.com/hydrocore to select your desired components.

¹ Boiler offers multi-port piping design, side left option shown. Other Hydro-Core Manifolds may apply - see mfg. for details

² Boiler sizes may differ in Canada

³ Per mfg. installation instructions: supply & return piping connections may be installed on either the bottom or top of the boiler. The recommended Hydro-Core Component Kit will accommodate these installation options

⁴ Manufacturer recommends Minimum Boiler Loop Piping size as indicated.
