

Bit-Check 30 Universal 1, 30 pieces

Bit-Checks / Bit-Safes Universal

EAN:	4013288115096	Size:	165x90x35 mm
Part number:	05056440001	Weight:	305 g
Article number:	Bit-Check 30 Universal 1	Country of origin:	CZ
		Customs tariff number:	82079030

- Upright positionable, multi-component Bit-Check
- Rapidaptor holder for rapid bit change
- Universal bits for all fields of application
- Rapidaptor technology for rapid bit change
- Tough viscous bits for universal use

29 bits in a minimum of space; simple removal and reinsertion of the bits. Rapidaptor holder ensures rapid bit change. Universal bits fitted for diverse applications; robust Bit-Check.

Set contents:

At the workplace

The Bit-Checks can be positioned upright at the workplace so the tool is always quickly to hand.

Torsion bits

Torsion bits absorb the damaging peak torque loads in the torsion zone. This prevents premature wear and enhances the service life of the bits.

Tough-absorbing bits (Z)

Tough-absorbing Wera bits (Z) prevent any premature breakage of the drive tip.

Rapidaptor holder

Rapid bit change without needing any additional tools. One-hand operation with a freely spinning sleeve for simplified guidance of the tool.

Magnetic

Bitholders, magnetic, for easier application of the screw

Chuck-all

The Rapidaptor quick-release chucks hold 1/4" DIN ISO 1173-C 6,3 and E 6,3 as well as Wera series 1 and 4 bits.

Rapid-in and self-lock

The bit can be pushed into the adaptor without moving the sleeve. The lock is activated automatically as soon as the bit is applied to the screw. Bits are held securely and wobble-free.

Rapid-out

Simply push the sleeve forward to change the bit. The spring mechanism lifts the bit off the magnet and unlocks the tool. The bit can be easily removed. The rapid-out function makes it easy to remove even the smallest bits without extra tools.
